LEMON GROVE REVIEW

Vol. 26, No. 9 | Lemon Grove, California | Thursday, September 27, 1973 | Phone 469-0101 | Ten Cents

School Tax Whacked 30 Per Cent

Reduction of $90.00 Home Valued at $30,000

Related school tax story page 8

There was good news at the meeting of the Lemon Grove School District Tuesday night.

The school's general purpose tax rate is being reduced.

Not just a tiny reduction either. It's a whopping $1.19—from $3.82 to $2.63—a cut of 32 per cent.

Superintendent Dr. Robert Sutton told the board that several factors contributed to the reduction:

the state assuming a larger share of school support

an equalizing tax burden pressure between wealthy and poor districts

increased assessed valuation

modification of school programs

The reduction to tax payers will be substantial here. For each penny reduction, a resident with a $30,000 home will get a 75 cent tax slash. That's $90 off the next tax bill.

Of 38 school districts in the County, Lemon Grove's reduction was the greatest. The adjoining La Mesa-Spring Valley district is being cut 95 cents. Ten districts had raises. Valley Center Union district was hit the hardest — raised 61 cents.

The changes will be reflected on next year's tax bills.

Grossmont High School district rate dropped 68 cents further reductions. But Grossmont Community College increased its rate 2 cents.

In other business, it was announced that 155 students had been added to the district's total since school opened.

Dr. Sutton also announced an October program in which parents would help establish educational goals. A questionnaire will be distributed during the week of Oct. 15-19 in which a scale will permit parents to give the district guidance in future programs.

Kahan Sues For Pay

Charles Kahan, the on-again, off-again Helix High School teacher has sued to obtain some $8,000 in back pay in Superior Court.

The hearing is to be held Oct. 1 by Superior Court Judge Eli Lavensen on the request.

The Grossmont Union High School District Board of Trustees voted to appeal a decision by the California Commission on Professional Competency hire Kahan Sept. 18, 1973.

Kahan, 41, has requested a that forced the district to re-temporary restraining order and an order to show cause why he should not receive the back pay, which the district has decided not to pay until after its appeal.

The suit also seeks to prevent the school district from removing him from his teaching position at the school. He was suspended and then reinstated than suspended again after the drug charges were dismissed in Federal Court in 1972.

BOTTLENECK GONE — Shoppers have complained for years about the bottleneck on Broadway between Main and Olive — but no more.
As part of the County-State program of road improvement in the business district the bottleneck was shoved into history by bulldozers and skiploaders this week.
In another element of work, the railroad tracks at the east end of the former bottleneck will be lowered. The crossover will be closed for a week when the work starts.

William Shearer Named Chairman American Party

William K. Shearer of Lemon Grove has been chosen to head the American Independent Party during a reorganization convention held in Columbia, S.C., this past week.

Shearer, 42, named party chairman, takes over the leadership from Thomas J. Anderson of Pigeon Forge, Tenn. Shearer said after returning home Tuesday that he was sure Anderson would continue active in the party for the states he reprsents.

A graduate of Grossmont High School and San Diego State University, Shearer publishes the California Statesman and is attending law school in San Diego.

From 1963 to 1965, he was an administrative assistant to former Assemblyman E. Richard Barnes, R-San Diego.

A life-time resident of the Lemon Grove area, Shearer and his wife Eileen have four children.

Dale Willey Named To National Post

Kansas City, Mo. (Special)—Dale Willey, of 7145A London lane, Lemon Grove, has been appointed by National Commander-in-Chief Ray R. Soden, of Bensenville, Ill., to serve as a member of the V.F.W.'s National Voice of Democracy Committee for 1973-74, during the 75th Anniversary year of the orgaization.

Soden, head of the 1.8 million member organization, commented, "My theme for this year is 'Now More Than Ever,' as we begin to celebrate 75 years of service to veterans, their families and widows. Dynamic leaders are a major factor in the success of our programs, and I am pleased to include Mr. Willey, who is an outstanding leader in the V.F.W."

Willey is a member of Lemon Grove V.F.W. Post 6874 and is immediate past California State Commander in Chief.

Locally, the Lemon Grove VFW Lodge sponsors the "Voice of Democracy" program at Helix and Mt. Miguel High schools.

Students in grades 10-12 this year will produce a broadcast script based on "My Responsibility as a Citizen".

Material will soon be submitted to competing high schools with the deadline dates included, Willey said. The deadline this year is expected to be in mid-December. Prizes range from $10,000 down to $1,500 for fifth prize.

Deddeh Pays Kiwanis Club Farewell Visit

It was a bittersweet meeting of the Lemon Grove Kiwanis club last week.

The club said goodbye to State Assemblyman Wadie Deddeh — the Democrat who satisfies the conservative needs of most of his constituency in the Lemon Grove-Spring Valley area.

Late in October, or soon thereafter, Deddeh will give way to Peter Chacon as the courts redistrict the State. Chacon is best described as a hard-line Democrat and he will have a hard row to hoe to gain the acceptance Deddeh enjoyed here. For the record, Deddeh carried every precinct in Lemon Grove when he was reelected last year. Presumably, the District number will be changed from 79th to 80th.

Deddeh reviewed his service to his District and his accomplishments were formidable. He led the fight for better controls on late charges on loans. He was responsible for return of interest on impounds and has been active in attempting to get a no-fault type of insurance for the State's motorists.

Deddeh, as is his custom, reminded the Kiwanis club that he was grateful for being allowed to serve the people of a country that would allow an immigrant to hold an executive office of a State. He is from the mid-East.

Louis Poluzzi, club president, acknowledged Deddeh's seven years of service to the community as he nears the date of re-apportionment.

Poluzzi announced his own term of office would soon be over as the incoming president, Mike Carlin, is installed Saturday at a banquet at Singing Hills Country Club. Reservations are still being accepted. A prime rib dinner is $8 a person.

Poluzzi also announced that Apple Days would be sponsored in Lemon Grove again this year on October 24, with Johnny Johnson as chairman. Price of the apples this year will depend on the cost. So far the club has not been notified what that will be.

The club meets every Wednesday at noon at the Lemon Grove Bowlero.

White Cane Days Set for Oct. 5-6

White Cane Days will be marked by the Lemon Grove Lions Club Oct. 5-6 it was announced yesterday by Fred Dixon, chairman of the event.

Contributions will be accepted by club members circulating through the business district.

LG United Way Set '73 Goal

Lemon Grove United Way volunteers have launched the annual $7 million San Diego countywide campaign to "support the proven and encourage the innovative" through more than 70 member organizations.

Charles L. Foster, Lemon Grove community chairman accepted the local goal figure of $11,190 at a kick-off breakfast of all East County area communities on Sept. 18. Foster is Lemon Grove branch manager of San Diego Trust & Savings Bank.

According to Chairman Foster: "Although our goal figure is some $1,400 more than was raised here last year, I am confident that Lemon Grove residents and business people are sympathetic to the United Way cause and will meet the challenge. Our volunteers are both dedicated and motivated to make the calls and encourage 'fair share' giving".

Assisting "Chuck" Foster in the Lemon Grove United campaign are the following division chairmen. Business: Carl Lacke, Bank of America branch manager and Dale Goodale, Southern California 1st. National Bank assistant branch manager. Public service: Robert L. Guest, United States National Bank branch manager. Professional: Dr. H. E. Sorteberg.

The Spring Valley drive was kicked off at the same time with a goal of $3,375. Webber "Joe" Comella was appointed chairman of the local Valley drive.

S.V. Man Charged In 'Pot' Smuggling

SAN DIEGO (CNA) — John Kenneth Tweet, 24, of 9016 Memory lane, Spring Valley, charged with being a member of a California to Canada marijuana smuggling ring, pleaded not guilty at his arraignment Monday in Superior Court.

His trial is set for Dec. 17 and he was freed on a $5,000 bail bond. Two co-defendants from Canada, are being sought on bench warrants.

The three are alleged to have transported upward of 2,200 pounds of marijuana via air freight. The negotiations were carried on in a Spring Valley market, it was reported.

Kids Have Their Day In 20th Annual Parade

The 20th Annual Kiwanis Club Kids Day parade was held here Saturday with over 30 youngsters receiving trophies for their costume efforts.

The parade was led by a unit of the Lemon Grove Fire District and included bands from Mt. Miguel High School, Helix High School and Lemon Grove Jr. High School. The Skyline Skyettes were also featured in the parade along with Boy Scout Troop 398.

Winners in their divisions were: Single costumes under eight years Kim Huddleston as a butterfly, first place. Tied for second place were Michael Torres and Danny Comer who came as clowns and third place went to Mark Edwards who dressed as the Jack of Hearts.

In the single costume eight to 12 years old, Tammy Bunge was first as a Southern Belle. Teddy Williams second as a Mexican boy and third place to Denise Shallard as a clown.

Costumed groups under eight years saw Mary Joseph, and Mathew and Michael Parker take first place as they marched as a dragon. Second place went to Carol and Margaret Faulkner as Indians. There was no third place winner.

In the costumed group eight to 12 years old Linda Jackson and Pam and Angela Conro took first place with their dragon. Second place went to Stephanie Moffett and Kris Waughter as Raggedy-Anne.

In the costumed group one class four or more, Leslie and Donna Losen, Chris and Scott Pike and Cathy Rollins took first place as a dragon.

In the wheeled vehicles other than bicycles Mike Kiss was first. Richard Craig second and Jeffery, Gretchen and Patty Hawthorne with Carol Masterson were third.

In bicycles under eight years of age, Eric Lergerton was first. Angels Olsen was second and Deric Bailey was third.

In the bicycles eight to 12 years of age, Jeffery Nye was first, Debbie Johns second and Joey Johns third.

Violin Recital Set For Friday

Grossmont College's Office of Community Services will present violinist Charles Meacham and pianist Robaline Meacham at 8 p.m., Friday, in the Fine Arts Recital Hall to continue the series "Dialogue in Music." "Dialogue in Music" explores the music process, its creation and interpretation by the artist and its meaning and relevance to the listener.

For their Friday evening program, the Meachams will play Mozart's "Sonata in F Major, K. 376," "Two Japanese Folk-Tunes," by Yoshio Hasegawa; "Sonate in G Major, Op. 96," by Beethoven an "Sonete," by Francis Poulenc.

Meacham, former principal second violinist with the San Francisco Symphony and Opera Orchestras for 20 years, is presently founder and leader of the Marin Arts Quarter and Marin Double Duo as well as concert master and assistant conductor of the Marin Symphony Orchestra. An accomplished recitalist and violin pedagogue, he is a member of the music faculty at the College of Marin. Mrs. Meacham, also an accomplished recitalist, has performed with many other artists in California in addition to her husband. A pianist, harpsichordist, teacher and chamber player, she is a member of the Marin Double Duo.

"Year 2000" Film Series Concludes

The concluding program in the futurist film series "Toward the Year 2000," will be presented at 11 a.m. and 8 p.m. Wednesday in Grossmont College's Fine Arts Recital Hall. Presented by the college's Office of Community Services, the film-lecture series has attracted more than 1000 viewers to the first three programs.

Included in the last program will be five short films titled "The Physicists: Playing Dice with the Universe," "Religion: Making the Scene," "Air Pollution: Sweetening the Air," "Media: Massaging the Mind" and "Computers: Challenging Man's Supremacy." This unusual presentation explores the frontiers of human knowledge through accomplishments in science, art and technology. Leaders of these fields will have their ideas and visions projected for the viewing audience through a technique that will momentarily lift them to the perceptive level of these leaders.

Grossmont College Aids Ex-Offenders

Releasee Aid is one of the fastest growing programs offered by Grossmont College's Office of Special Projects. Aimed at helping the ex-offender readjust his or her life and become a responsible productive member of society, Releasee Aid uses peer counselors to accomplish the objetives. Bonnie Lorentsen and Vic Peralta, both students at the college, share the task of peer counseling.

Familiar with the problems of ex-offenders as well as the services available to them, Miss Lorentsen and Peralta, through peer counseling, determine the areas of needed assistant and then identify the specific agencies that can provide the assistance.

The college offers a personal development class for both new and continuing ex-offender students. The class helps them search out their true potential and readjust their values. This is accomplished through discussions and an understanding of their own as well as each others problems.

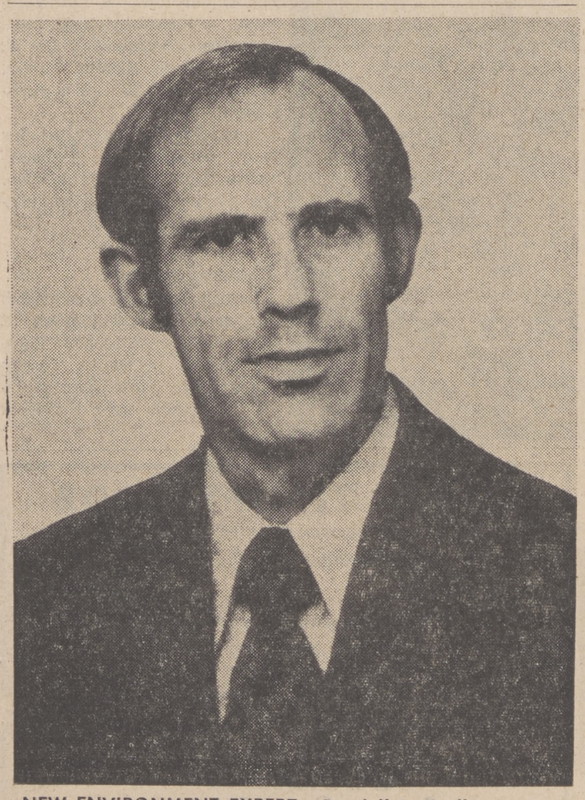
Originally called "Friends in Liberty Association," (FILA), the Releasee Aid Program originated in the Fall of 1971. FILA was a wholly volunteer effort and lacked commitment on the part of most of the ex-offenders involved. However, the concept was considered worth pursuing and was subsequently funded through Education Opportunity Programs and Services (EOPS).

The Releasee Aid Program was officially established during the 1972 Fall semester with Gail Lusk, founder of FILA, serving as coordinator. More than 40 students have been involved in the new program that is considered a model for other community colleges in California.

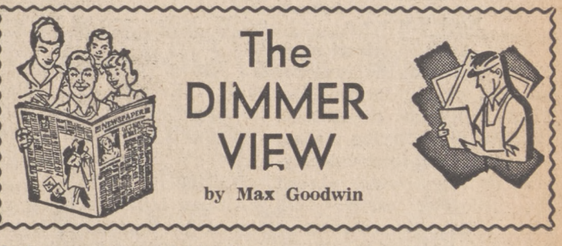
LG Womans Club Meets Friday

Lemon Grove Womans Club will meet at their club house, 2-4 Main st., Friday at 1:30 p.m. The program will feature guest speaker Deputy M. Koustsky and a film on Astrea Helicopters will be shown.

Hostess for the event will be Mrs. Hal Grow and Mrs. Mark Foote.



NEW ENVIRONMENT EXPERT — Randall L. Hurlburt, 31, is the new director of the San Diego County Office of Environmental Management. Hurlburt, who holds two advanced degrees, has been Supervisor of Environmental Standards for the City of Inglewood, Calif., since 1969. For the past six months he has been on loan to the Federal Environmental Protection Agency EPA), acting as Task Force Chairman in drafting Federal noise abatement precedures.



Motorists Walloped Again

After a false start earlier this year, it has again been ordained that your car must have a device said to control nitro gen oxide emissions.

It was originally mandated that 1966-1970 cars would have installations starting last July. But it was shown that the devices would cause the vehicle to use more fuel and to create more pollution than do the cars with just the presently required smog devices.

So the State Air Resources Board held up on the mandate, probably hoping for a scientific breakthrough that would produce an effective device for controlling nitrogen of oxides emissions.

Grumbling, the various producers of NOE devices warehoused their products and went to work on the Legislature. Except for this pressure, there have been no changes in control devices and no improvement. So dealers are dusting them off, putting them back on the shelf with their $35 signs, and are waiting for the flood of business that will start on October 1. On that date, vehicles with the last digit of their license plates ending in zero will be required to comply. The next month, the 1's get it and the December the 2's, and so on until ten months have passed and all cars will be using more short-supply fuel and pouring more pollutants into the air as a result.

As strange as it seems, the public didn't resist the requirement. A news article told that no one representing the public —not even Ralph Nader—attended last week's meeting at which the decision was made. But the manufacturers of the NOE devices were there and the entire hearing was taken up by those who make the six devices certified for use. They criticized the board for having held up the program saying it was hurting their business, the item indicated.

It is estimated that more than 300,000 motorists in the San Dieog area will be required to add the device. It will have to be installed by a state certified mechanic. Even the motorist who does it himself will have to pay to have it certified by a certified mechanic.

One reason the installation date was held up was to require the device manfacturer to modify it to protect the engine from overheating, damaging or ruining the engine. But a hearing officer recently rescinded the modification and now you will pay $35 for a device that will conceivably ruin your engine, pollute your air and cost you more for fuel.

What happens if you don't subscribe to the new mandate? A $50 fine will be imposed. Caught the second time the penalty is raised to $100. The fine is $250 for the third indiscretion. Presumably, additional violations will be negotated on an increasing scale.

Anxious Reader:

Only your stock broker knows for sure, but your evaluation seems about right. When the market's historical measuring stick — the Dow-Jones averages — moves up 12 points, my stock goes up about an eighth of a point. When the D-J goes down an eighth point, my stock falls off a half point.

It's the old story all over. The small investor goes broke and the rich investor makes money. No, I can't explain it.

OCTOBER MARRIAGE — Dr. and Mrs. Frank Hattox announce the engagement and forthcoming marriage of Miss Marta Lelia Camacho to Mr. Calvin James Wiersma. The couple will be married October 6 at the First Baptist Church of Lemon Grove. Miss Camacho is a graduate of Mount Higuel High School and is attending Grossmont College. Wiersma, from Holland, Michigan, is in the real estate business, and also attends Grossmont College.

Common Drugs and Driving Don't Mix Report Reveals

There is a cloud no bigger than a tranquilizer pill appearing on the horizon of traffic safety researchers these days.

As though they didn't have enough troubles with the ominous statisics uncovered in connection with the alcohol-impaired driver, there is growing evidence that another type of drug-impaired driver also presents a problem of tremendous potential.

In the 1973 edition of The Travelers Insurance Companies annual booklet on highway safety called "Speed" Kills!, the subjects are not the hard-core heroin addicts — the familiar "dope fiends" of popular literature — but millions of people taking frequent doses of so-called "innocent" drugs for a variety of reasons, usually valid and under the care of a doctor.

A person can be taking such drugs for several ailments and acquired from a number of sources. The cumulative effect of the medication is thus greater than would be anticipated from any of the drugs taken singly.

Such mind-altering drugs as diet pills, tranquilizers, antihistamines, barbiturates and bromides can impair a driver's ability to function effectively on the highway. When used in conjunction with even moderate amounts of alcohol, the results can be tragic.

In measuring impairment, the yardstick must be the individual driver's ability to handle a car when in a normal physical condition . . . that is, undrugged. The addition of drugs to the scene creates a dangerous situation for the driver. His perception of time and space is altered and his driving equilibrium is thrown out of balance.

The magnitude of the legal drug industry can be measured by the fact that just the promotion and advertising of beverage alcohol and tobacco, patent medicines and over-the-counter drugs costs $2 million every day in the United States.

The real Sunday punch of the drug situation lies in the so-called "synergistic" effect of drugs combined with alcohol. This refers to the interaction of drugs which, when taken together, increases each other's effectiveness.

This means that a driver taking cold pills, for example, might after a couple of cocktails, exhibit all the characteristics of the town drunk. His reflexes could be slowed, his speech slurred, his vision impaired and his gait affected.

This man become a dangerous driver, by any definition . . . and only because he woke up with the sniffles and lacked the knowledge of the possible side-effects of his pills and cocktails.

One researcher has observed that numerous indivduals arrested for drunken driving are also drug involved. In certain instances, the individual has a very low blood alcohol level but has also, in fact, taken some other substances which are synergistic with alcohol and which produce all the appearances of gross drunkenness.

One bright note is the new federal program called Special Action Office for Drug Abuse Prevention. With all 50 states cooperating and reporting directly to their governors and the Office of the President, the program in addition to its broad objectives of drug treatment, rehabilitation, education and research, is attempting to develop in-depth information on the extent of our drug problem.

By examining hospital emergency room admissions, coroner's and medical examiners' death reports, highway crashes and police arrests with a special eye to drug involvement and its impact on society, it is hoped that an entire range of new information will become available to drug researchers.

Perhaps, then, the true dimensions of the drug-involved driver problem will become apparent for all to see.

FALL FESTIVAL — Preparations for "An Olde Time Country Fair" the annual fall festival sponsored by the Women's Association of Trinity Presbyterian Church in Spring Valley has gotten off to a grand start. From left Carol Vogel, Chairman, Bess Jacobsen, Carrie VanLandingham and Clarissa Bigler. The atmosphere for the Fair, to be held all day Nov. 15, is building as demonstrated by the sun bonnets and frocks.

Gov. Reagan To Unveil New State Medallion

Governor Ronald Reagan will unveil the first silver strike of the Official 1973 Medallion of the American Revolution Bicentennial Commission of California on October 16, 1973, ARBCC Executive Director Albert Johnson announced today.

Ceremonies will take place at the Governor's Office.

The design, first of four Official State Medallions commemorating the Bicentennial, was created by high school student Preston Condict of Our Town (near Paso Robles), California.

Young Condict entered the ARBCC-conducted state-wide competition for high school students earlier this year. He will be the recipient of a $1,500 scholarship award.

Governor Reagan will present the first place prize as well as the second and third place prizes to two other students at the October ceremonies.

Also present will be ARBCC Commissioners, constitutional officers of the state and legislators. In addition, bank, savings and loan and retail store presidents who are participating in the public service-oriented medallion program will be present.

Medallion sales will help raise funds for state Bicentennial programs sponsored by the Commission.

Medallions will go on sale throughout the state beginning mid-October. Individually numbered sterling silver medallions will sell at $12.50 and antique bronze medallions for $3.50.

For further information write the American Revolution Bicentennial Commission of California, 1501 Eight St., Sacraento, California 95814.

Licensed To Wed

SAN DIEGO (CNA) — Marriage licenses were issued to:

Jerry Eanes, 22, National City, and Leah Mulch, 18, Spring Valley;

Gerard Kopotic, 19, and Donna Bendixen, 19, both Spring Valley.

Larry Brewster, 22, and Roberta Worsley, 18, both Spring Valley.

Mario Coronna, 2, La Mesa and Jaqueline Ingraham, 20, Lemon Grove;

Jose Martínez, 22, National City, and Maria Montes, 20, Spring Valley;

Anthony Cordasco ,20, Chula Vista, and Linda Orcutt, 19, Spring Valley;

Michael Blair, 21, Spring Valley, and Karen Olson, 20, Chula Vista;

Fredrick Lord, 24, Spring Valley, and Patricia Peck, Hamburg, N.Y.;

Martin Lee, 26, Spring Valley, and Rose Cash, 32, Chula Vista;

Laurence Harrod, 20, U. S. Navy, and Freida Murray, 18, Spring Valley;

John Steele, 27, Spring Valley, and Deborah Staff, 17, San Diego;

Jacobo Ruiz, 22, Tijuana, and Elva Camacho, 17, Lemon Grove;

Michael Hughes, 25, San Diego, and Nancy Walter, 22, Lemon Grove, and

Michael Currie, 21, Spring Valley, and Nancy Libsack, 18, Lemon Grove.

La Mesa Chamber Welcomes Teachers

All new teachers in the La Mesa - Spring Valley School District, Grossmont Union High School District and Grossmont College will be welcomed by the La Mesa Chamber of Commerce at a Mixer, September 27, at the Ponderosa House of Prime Rib, Grossmont Center, from 5:30 to 7:30 p.m.

Welcome packets will be presented to the guests containing samples and brochures as an introduction to the business community. Lillian Lehew, Chairman of the Special Events Committee said, "This is the Chamber's way of extending the hand of friendship to the new educators in the La Mesa area."

Jose Feliciano At Civic Fri.

Jose Feliciano will appear in concert at the San Diego Civic Theatre Friday at 8 p.m.

His guitar music is a combination of Spanish, jazz, rock, soul and unique in style. Blind since birth, Feliciano has risen to stardom over a period of 20 years.

Born in Puerto Rico, his family moved to Spanish Harlem in New York City. At the age of 10 he had mastered the accordion and guitar and made his first public appearance.

In 1964 he released his first single and first album. Tickets are $2.50 to $6, and are available at all Highlander Stores, Metro Agencies or the Civic Theatre box office.

Rummage Sale

Find the color that suits you at our Parking Lot Rummage Sale, held by St. Philip's Episcopal Church — Palm & Hard streets, Lemon Grove, Saturday, Oct. 13 — 9 a.m. to 5 p.m.

Everything color coded for your convenience. Refreshments will be available also. For further information, contact 466-8055.

Picnic-Tour Set

Lemon Grove Womens Club garden section will meet at their club house 10 a.m. Tuesday for a picnic in Torrey Pines State Park. The members will also tour the Salk Institute.

Trinity Church Offers Variety of Classes

Trinity Presbyterian Church in Spring Valley has announced its schedule of adult classes to be held at the church at 3902 Kenwood dr., from 9 to 10 a.m. on Sundays.

Reverend Ray Williamson, the assistant Pastor, will hold Two Worlds", a study in a class entitled "Living in Two Worlds", a study in Ephesians, in the room across from the Sanctuary.

There will be a "Forum on the Christian and the World" coordinated by Howard Gardener held in the North Lounge.

In the Library will be George Benson and a class on Christian marriage. The class will be in two parts. The first will deal with young marriage.

Finally a course on "College and Career Study" will be given by Joan Williamson in a room across from the church office.

Church School for all ages from 3 years to 12 is also being held and child care for those under 3 is provided in the 9 to 10 a.m. hour. During the Worship service child-care is provided for babies and children up to 2nd grade.

There is no deadline for registration for any classes and they are not limited to Church members. All are welcome.

Area Births

Following are the latest Lemon Grove and Spring Valley area birth reports as received from Grossmont Hospital:

To Mr. and Mrs. William R. Evans Jr., of Spring Valley, a girl, 8-lb. 2oz. on Sept. 7.

To Mr. and Mrs. Richard A. Jankowski, of Spring Valley, a girl, 7-lb. 2 oz. on Sept. 8.

To Mr. and Mrs. Kenneth I. Peterson of Lemon Grove, a girl, 7-lb. 10 oz. on Sept. 8.

To Mr. and Mrs. Richard N. Dahmer of Spring Valley, a boy, 6-lb. 13 oz. on Sept. 9.

To Mr. and Mrs. Robert J. Howard of Spring Valley, a girl, 6-lb. 9½ oz. on Sept. 9.

To Mr. and Mrs. Stanley S. Scherer of Spring Valley, a girl, 8-lb. 3 oz. on Sept. 10.

To Mr. and Mrs. Jerry L. Burke of Spring Valley, a girl, 7-lb. 15 oz. on Sept. 10.

To Mr. and Mrs. Robert J. Boldue of Lemon Grove, a girl, 8-lb. 15 oz. on Sept. 12.

To Mr. and Mrs. Jeffery L. Bean, Sr. of Spring Valley, a boy, 5-lb. 8½ oz. on Sept. 13.

To Mr. and Mrs. Ramiro Frausto of Lemon Grove, a girl, 6-lb. 15 oz. on Sept. 13.

To Mr. and Mrs. Terry D. Griffey of Spring Valley, a girl, 8-lb. 3½ oz. on Sept. 13.

To Mr. and Mrs. Gordon F. Jones of Lemon Grove, a boy, 8-lb. 7 oz. on Sept. 14.

To Mr. and Mrs. William G. Mash of Lemon Grove, a girl, 5-lb. 13 oz. on Sept. 15.

To Mr. and Mrs. Greg Millard Olsen of Spring Valley, a boy, 9-lb. 7 oz. on Sept. 16.

Our Men In The Armed Forces

Noel Traversie

Navy Aviation Storekeeper First Class Noel D. Traversie, husband of the former Miss Edna I. Klenzle of 4252 N. Cordoba ave., Spring Valley, is participating in practice operations near Hawaii aboard ths helicopter carrier USS New Orleans in preparation for the recovery of the Skylab astronauts.

A former student of Cheyenne High School, Eagle Butte, S.D., he joined the Navy in May 1960.

Robert Miller

BILOXI, Miss.—Airman Robert W. Miller, son of Mr. and Mrs. Brian Miller, 1127 Osage dr., Spring Valley, has graduated at Keesler AFB, Miss., from the U. S. Air Force radio equipment repairman course conducted by the Air Training Command.

Airman Miller is being assigned to the 222nd Mobile Communications Squadron for duty.

The airman is a 1972 graduate of Mount Miguel High School.

The old Bonanza mine at Virginia City, Nev., was sold at Auction for back taxes.

Lot Split Ordinance To Be Enforced

SAN DIEGO (CNA)—A lot split isn't always a lot split. There will be three new tests if the Board of Supervisors enforce an ordinance (4104) adopted earlier this year.

Divisions of land will revert to one parcel:

1. if it was approved before Feb. 1

2. unless there has been a bonafide sale of such land this year, and

3. if owner owns contiguous property.

Supervisors will hold a conference at 9:30 a.m. on Oct. 10 to discuss the ordinance's enforcement which is actually compliance with the state law.

MARRIED — The former Nancy Kay Walter, daughter of Mr. and Mrs. Jerome T. Walter, 2984 Buena Vista st., Lemon Grove, became the bride of Michael Edward Douglas September 15.

The bridegroom is the son of Mr. and Mrs. David Hughes of San Diego.

The ceremony was performed at St. John of the Cross Catholic church in Lemon Grove after which the couple went to Las Vegas for a honeymoon.

Attendants were Carol Walter, Suzanne Loya, Judy Walter, all sisters of the bride, and Shirley Yancy.

Mrs. Hughes was graduated from Mt. Miguel High school and the Airline School of Kansas. Mr. Hughes attends San Diego State U. The couple will live in San Diego.

The first atomic bomb was dropped on Japan on Aug. 6, 1945.

WARMING UP — Students and advisors at the Lemon Grove Jr. High School are warming up for a PTA cookout to introduce new and old parents and teachers to each other. The hamburger dinner will be held Thursday at 6 p.m. in the school cafeteria. Mrs. D. Douglas (left) is program chairman. Danny Hyaatt looks on with Mr. Louis Poluzzi, school principal. Denna Steinauer and Lori Davis are the expectant cooks.

Grossmont College Presents Two Films From The Masters

Two short films on Daumier, Toulouse-Lautrec and an Homage to Steinlen, will be featured in the next program of the continuing series "Art Through the Ages," scheduled for 7:30 p.m., Tuesday, in the Community Hall at College Grove Shopping Center.

Called the "first art museum presented in film form," the series features some of man's greatest artistic achievemnts assembled with taste and perception. This series of award-winning films featuring the work of the masters, is co-sponsored by the Foothills Art Association and Grossmont College's Office of Community Services.

East County artist Betty Falkenstine, will provide the introdution and commentary on the three films. Mrs. Falkenstine has studied locally with Chester Berg, Roland McNary, Robert Landry and Sam Jacoby. She has become a familiar figure at outdoor shows in Balboa Park and Old Town, as well as the East County where she does quick sketch portraits. She has exhibited widely in Southern California and has won awards at local art marts.

The film on Daumier portrays his dazzling high spirits, his sense of humor and his wit which in its cruelty, retains its humanity. Daumier was sentenced to six months in jail for a caricature of the king. From political satire, he passes to the satire of manners before returning to painting. At the age of 60 he had produced 3000 lithographies.

Unlike Daumier who struggled throughout his life, Henri de Toulouse-Lautrec was the first male heir of a rich family of French aristocrats and had everything he wanted for the asking. A hunting accident, a carriage accident and an incurable bone disease, left him with a head and torso of an old man and the withered legs of a dwarf. Lautrec lived only 37 years but few artists achieved as much work as he did in such a short time or more nobly countered the curelties of fate.

Alex Steinlen devotd his life and work to furthering the cause of the underdog. He saw himself as a working man expressing the ideas and opinions of people less articulate. He made commentaries upon the evils of his time: the imprisonment of children, the grinding poverty of the worker and the horror of war. His work was considered dangerously revolutionary because people were so moved by what they could see in his vivid illustrations.

The public is invited to view these award - winning films that portray the life and work of three artists whose style and techniques still influence contemporary artists. There is no charge for admission.

TWENTY YEARS SERVICE HONORED — Clarence Davis, right, receives pin and congratulatory letter from Helix Water District Director John Gibson for his 20 years of service to the local water supply agency. Davis joined Helix in August 1953 as a carpenter, later advanced to carpenter foreman, and is now general maintenance foreman. Davis, his wife, Helen, and their three children live at 2437 Bonita st., Lemon Grove.

Microwave Magic Library Topic

"Microwave Magic" will be presented by Clare Griffith, home economist of the San Diego Gas & Electric Company, at the Lemon Grove Library on Thursday, Oct. 4, 10:30 a.m.

Mrs. Griffith will demonstrate this fascinating method of cooking by showing several different uses of the oven. She will explain how it conserves both time and energy.

An interesting point that she will bring out will be the fact that while the food becomes very hot, the oven remains cool. A bonus for those attending will be the opportunity of testing the food cooked in the microwave oven.

Mrs. Griffith received her degree in Food Science from Iowa State University in 1967 and has been active in the field ever since. She has been with the San Diego Gas & Electric Company since May, 1971.

There will be activities for small children attending. Everyone is invited to this free program. The Lemon Grove Library is located at 7735 Pacific ave., phone: 463-5982.

Mesa Jewel Odd Fellows

Mesa Jewel Rebekah Lodge No. 409, Independent Order of the Odd Fellows, will meet on Oct. 4 at 7:30 p.m. at the American Legion Hall, 8118 University ave., La Mesa.

The business meeting will be presided over by the Noble Grand, Mrs. Stella Bono and assisting will be the Vice Grand Mrs. Stella Eckenroth.

The Goodfellowship program will be brought to the Lodge by Vista Rebekah Lodge No. 372 of Vista. Refreshments will be served under the supervision of Mrs. Bono. All members are invited to attend.

The Advancement Club will meet on Oct. 11 at 7:30 p.m. at the home of Mrs. Dora Kaltsukis 849-No. Third st., Apt. 5, with the President Mrs. Stella Eckenroth presiding for the business session. Members invited to attend.

Water Users

A man shaving can consume as much as 15 gallons of water.

Mail Bag

Dear Editor:

On October 2nd, 7:30 p.m. Spring Valley Chamber of Comerce will sponsor a PUBLIC MEETING concerning LOT SPLITS and most particularly the interpretation of Assembly Bill 1301 — which most assuredly does concern many citizens of Spring Valley, Lemon Grove, Jamul, etc. How many people do you know who have bought the property nextdoor for income, bought a parcel adjoining for future investment or have owned a larger parcel and had a legal lot split according to county regulations and now find that if they haven't sold it off by Dec. 31, 1973 it is about to become a single parcel again.

I urge you to attend the Chamber of Commerce meeting and put Oct. 10th on your calendar for the Board of Supervisors meeting, when this subject is supposed to be on the agenda.

Sincerely
Rosarie Graham
Spring Valley

The meeting will be at the Center, 9052 Memory lane and is open to all. The speaker will be from the County Planning Department and his subject will be the lot-split issue. Ed.

SV Pastor And Wife Welcomed At Party

On Sunday, September 30th, from 2-4 p.m., the Women's Association of Trinity Presbyterian Church in Spring Valley, will be sponsoring an open house to introduce and welcome the Reverend and Mrs. Raymond J. Williamson to the community. The affair will be held at the Williason home, 10136 Del Rio rd., in Spring Valley.

Reverend Williamson is the new assistant pastor at Trinity. Formerly he was the Missionary Associate at First Presbyterian Church in San Diego. Prior to that he served as the Chaplain to the Colegio Americano for 5 years. This school, located in Venezuela, included a Spanish speaking elementary level and both a Spanish and English speaking High School .

Mrs. Joan Williamson served for 3 years at the Colegio Americano also. She is now teaching a class on "College and Career Study" at Trinity.

SV Youths See Film

Youth of the First Baptist Church of Spring Valley, Troy st., will attend the showing of a film at the North Park Baptist Church, this Saturday at 7 p.m. The church bus will go to North Park and will leave the Spring Valley church at 6:30 p.m. All youths are welcome, according to a church spokesman. The film will be "Rapture," released by Gospel Films and tells the story of the day following Christ's return.

WANTED
Women 18-35 interested in community service. Call 460-7559 or write Lemon Grove Jrs., P.O. Box 42.

Grossmont District Scouting Calendar

The Grossmont District of the Boy Scouts of America October calendar of events:

Oct. 4 and the Order of the Arrow will hold two different Plan meetings: Kehltso Plan at 7:30 p.m., in Collier Park, Palm ave., La Mesa; and Yaecum Plan, 7:30 p.m. at the Scout Hut, Renee Park, 935 Emeral st., El Cajon.

Oct. 9. Den leaders workshop, 8:30 to 11:30 a.m., in the American Legion Hall, University ave., La Mesa.

Oct. 10. District Committee meeting, 7:30 p.m., in the Santee Education Center, Santee.

Oct. 11. Cub and Scout leaders roundtable, both at 7:30 p.m., with Cubs in Fletcher Hills Elementary School, 2700 Center pl., and Scouts at the Scout House, 2325 Center pl., La Mesa.

Oct. 13. Scout leaders "Corner Stone," Phase N. 1, beginning at 8:30 a.m. at Santee Elementary School, 10445 Mission Gorge rd.

Cub Parents Orientation meetings set: Oct. 15, at 7:30 p.m., at Tierra Del Sol School, 9611 Petite ln., Lakeside, and Bancvroft Elementary School, 8005 Tyler st., Spring Valley; Oct. 16, Carlton Oaks Elementary School, 9353 Wethers Field rd., Santee, and Lemon Grove Junior High School, 7866 Lincoln st., Lemon Grove; Oct. 17, Parkway Junior High School, 9009 Park Plaza dr., La Mesa; and Oct. 18, Balentine School, 165 Roan Oak, El Cajon.

Oct. 18. L.D.S. Cub and Scout roundtables, at 1070 S. Orange, El Cajon, Scouts at 7 p.m., and Cubs at 7:30 p.m.

Oct. 20. Cub leaders daytime training sessions at 1 and 2, at the First Lutheran Church, 867 So. Lincoln, El Cajon.

Oct. 27. Cub leaders training sessions 3 and 4, same address as above.

Increase In Earnings Announced by BofA

Increases in earnings, resources and deposits marked the mid-year report of BankAmerica Corporation, President A. W. Clausen reported today.

Consolidated income before securities transactions for the six months ended June 30 rose to $95,279,000 or $1.38 per share, an increase of 13.1 per cent. This compared with $84,162,000 or $1.22 per share for the same period in 1972.

Profits on securities totaled $1,401,000, compared with $2,961,000 in the first half of 1972.

Net income of BankAmerica Corporation for the six months amounted to $96,680,000 or $1.40 per share, compared with $87,123,000 or $1.26 per share in 1972.

Girl Scouts Need Local Leaders

Girl Scout leaders in Lemon Grove, along with troop organizers are launching an adult recruitment campaign extending from mid-September to the end of October.

The scouting movement has found itself with waiting lists of girls at many schools throughout the area dependent on adult support for the program to get started.

Part of the increased demand is due to the lowering of the membership level to include girls entering the first grade. This has come into effect during the summer and has expanded the requirements for new leadership where girls cannot possibly fit into existing troops.

Areas with special needs are those in the junior high and high school program levels where adults with interests in vocational skills or specific career fields as well as recreational pursuits such as scuba diving, sailing, cycling, and backpacking are needed.

Any adult interested in Girl Scouting are requested to contact the Service Center at 298-8391 or Charlotte Spahn at 463-0934.

LG Kiwanis Set Installation

Installation dinner for 1973-74 incoming Lemon Grove Kiwanis officers will be at Singing Hills Golf Club, Saturday. Refreshments at 6:30 p.m. and dinner at 7:30 p.m.

Mike Carlen will be installed as president; Elmer Ringeisen, first vice president; Mike Maxon as second vice president. Gary Conrad as secretary and Richard Norquist as treasurer.

Lemon Grove Kiwanis will continue to sponsor the Key Club at Mt. Miguel High School and will be active in the anti-drug program "WE T.I.P.".

SV Historical Society Meets

The regular meeting of the Spring Valley Historical Society is scheduled for Wednesday, Oct 3, at 7:30 p.m., in the Museum building, 9050 Memory ln., Spring Valley. The meeting will be open to the public, vice president Charlotta Phillips, said.

Main order of business will be discussion of the upcoming county-wide Congress of San Diego County History organization meeting, to be held in the Spring Valley Chamber of Commerce hall Saturday, Oct. 27.

A luncheon is being planned at a nominal fee, according to Mrs. Phillips.

Lunch or Breakfast at the

Open 8-4:30 Mon.-Fri.; 8-3, Sat.

LG Jr. Woman's Club Set Local Craft Shop

Members of the Lemon Grove Jr. Woman's Club extend an invitation to the community to join them in a series of craft workshops to be held at the Woman's Club on Main st., Tuesday morning from 9:30 to 11:30 a.m.

Sessions will begin Oct. 2 and continue each Tuesday through Dec. 18. A registation fee of 50 cents will be charged for each item crafted with a tentative plan to complete an item in one to three weeks.

dula said there are four excellent reasons for establishing these workshops. She pointed out that residents need to work together on a common interest, acquaint residents with club members, learn a pastime, and to make personalized Christmas gifts.

An effort will be made to choose materials requiring a minimum of expense and items that can be made from materials around the home.

SV Club Meets

The Spring Valley Woman's Club met Wednesday at 9062 Memory lane, Spring Valley, at 1 p.m. The business meeting was presided over by Mrs. D. F. Williams, Club President.

Mrs. Frank Razzzino, Program Chairman, announced a "Let's Dance" theme as entertainment. The program was presented by Mrs. Lucy Dean, President of the Golden Nuggets Square Dancers, who gave a demonstration on Square dancing.

The Japanese beetle, enemy of plants, came from Japan in the 1900s and found a home in New Jersey. Since then it has been found in areas over much of the Eastern United States from southern Maine to Alabama and westward into Michigan, Illinois, Missouri and Tennessee.

Animal Registration And Care Is A Big Job In S.D. County

The historical term "dog catcher" is rapidly losing its meaning for San Diego County.

Today Animal Regulation Officers, in addition to picking up lost and stray animals, are also concerned with providing emergency medical care, investigating animal complaints, and enforcement of vaccination, license, and leash laws.

"Emergency medical care for injured pets whose owners cannot be located is given top priority", said Milton Solomon, inspector at San Diego County Animal Regulation. "The County offers this service on a 24-hour basis and maintains contracts with nine private veterinarians to provide emergency treatment. Under this program, the veterinary hospitals become support facilities for the County Animal Shelter."

Investigating 5,000 animal bite reports annually, most involving dogs, is a vital service of Animal Regulation. Biting animals must be placed under a special 10-day quarantine as required by state law. Since San Diego County is a rabies area, this function is extremely important, Solomon said.

A rabies vaccination is required by state law of all dogs in a rabies area. This requirement is enforced by licensing, vaccination being a prerequisite to licensing.

"Every dog should have a license," Solomon said. " In order to prevent a rabies epidemic in dogs, at least 70 percent of the dogs in the area must be vaccinated."

County Animal Regulation holds three low-cost rabies vaccination clinics each week at the three County shelters.

"However, so far only 45 percent of dog owners vaccinate and license their pets," Solomon said. "Without a 70 percent vaccination rate, prevention of dogs from running at large is an essential part of rabies control in endemic rabies areas."

Since the revenue that supports Animal Regulation comes from dog licensing fees, the County has the double problem of first licensing dogs to obtain the funds to combat the second half of the problem, that of dogs running at large.

"These two are even more related when one considers that better than 75 percent of all dogs running at large and picked up are unlicensed, and their owners, while the cause of the problem, contribute nothing to its control through the license fee," Solomon said.

"Many people feel that if they do not allow their dog to run loose, they don't need a license," Solomon said. "But sometimes even the best tended dog gets loose and that license you felt you didn't need to buy lets us get in touch with you so your pet can be returned."

When the license is bought, the right to be notified when the animal is picked up is also obtained. Almost all licensed dogs are returned to their owners, while it is impossible to locate the owners of 80 percent of the unlicensed dogs.

"If the animal is licensed or bears any traceable identification, the owner is notified by telephone or first class letter immediately," Solomon siad. "We even hold a licensed dog longer than the usual seven days if there's any chance of uniting him with his owner."

BANKAMERICARD and MASTERCHARGE

SPECIAL INSTRUCTION — Three year olds, Darby Durbin and Kevin Chmiel of La Mesa receive special instructions from Mrs. Marilyn Dukas at a class designed for slow learn-learners. The classes will begin in La Mesa-Spring Valley schools Oct. 1.

Slow Learning Children To Attend Special Class

A program for preschool children who are slow in learning to talk will begin in the La Mesa - Spring Valley School District this year. A federal grant will enable 30 to 35 children with severe speech and language learning problems to attend one-hour sessions, three times a week.

The parents are included in the program and will receive special training in order to help their own child daily at home. The program goal is to find these children early and to help them before school problems begin.

If early help is given to these children their progress in school will be more satisfactory, both to the parents and to the children themselves.

To be eligible for the program the child must reside in the La Mesa - Spring Valley School District, be three- to five-years-old, and have a significant delay in language development (one year or more). A screening test given by a speech and hearing specialist will measure each child's language abilities.

Hearing and ability level must be normal or near normal. Hearing and other evaluations will be provided for those children who become candidates for the program. The children may attend a regular nursery school in addition to this program but may not be attending regular kindergarten.

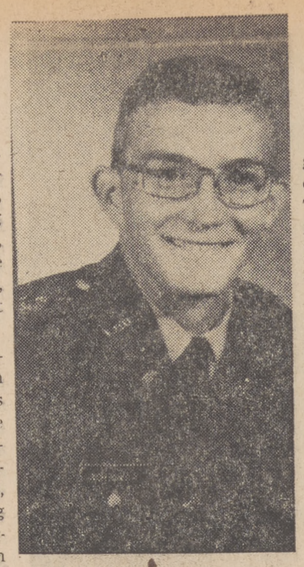
A child with a language impairment, or delay, may have some or all of the following problems: he may not understand speech and language, not follow directions, not listen to parents, not watch TV, not be interested in listening to stories or records, not talk, or talk very little, not name common objects, body parts, or things in his environment or in pictures.

He may use gestures, pointing and acting out rather than talking, be unable to express himself in sentences, use one or two words instead of sentences, have trouble remembering words, act frustrated, have problems getting along with other children, be overactive, have a short attention span, talk a lot but not make sense, have balance and motor coordination problems, and people may not understand him.

Speech and language screening tests are being conducted at the location of the former La Mesa Elementary School, 8100 Orange ave., La Mesa, to October 1, 1973, to select children who will benefit most from the program.

Children may be referred for screening by parents, family doctors, nursery schools, or any community agency.

Contact Mrs. Marilyn Dukas, project manager, at 469-6171, Pupil Personnel Services, La Mesa - Spring Valley School District, if you believe your child has a language problem.



GUY NORTON—was among forty-two New Mexico Military Institute cadets promoted this past week by special order of NMMI President, Colonel C. Robert Kemble. Cadet First Lieutenant Norton, the son of Mrs. Betty J. Andrade of 9981 Dolores st., Spring Valley, was among those promoted on the basis of their displayed leadership ability and exemplary conduct.

La Mesa Recreation Classes Still Open For New Members

Wrestling — tap-dancing— guitar playing—karate. What do they all have in common? They are all course offerings for the fall semester at the La Mesa Recreation Department.

And so are lessons in art, archery, ballet, baton, drama, golf, charm and modeling, hula, physical fitness, round dance, square dance, tap dance, tennis, gymnastics and jazz.

With a line-up like that, it seems as if everyone will find just the class that's desired! Something new for the women has been added this fall—an exercise and dance class.

Meeting either Monday or Thursday afternoon or Wednesday evening, this class will consist of exercise and basic dance instruction in tap, jazz, and ballet — depending upon the interests of the students.

Ladies, here's a chance to get your bodies in tip-top shop and to have fun doing it. While the men aren't offered a chance to learn to dance while "shaping up" they are once again urged to enroll in a physical fitness class.

This fine program has been attended by many men of all ages over the past couple of years and is one of the attractions of the schedule.

And for the little ones there's a pre-school class, designed for children eligible to enter kindergarten in the fall of '74.

If you're interested in any of these classes, or in the swimming schedule for all, or in the many clubs and activities designed for special interest groups, just stop by the La Mesa Recreation Department office, 8440 University avenue, and pick up a fall schedule.

Phone 469-4128 for complete information.

Last chance for registration of special classes will be held on Oct. 1st at the La Mesa Recreation Center, 84440 University ave. Please phone 469-4128 for further information.

Graduate Fellowships Competition

The California State Scholarship and Loan Commission announces the opening of the competition for the 1974-75 State Graduate Fellowship Program with the distribution of applications to every California college, graduate school, and professional school.

State Graduate Fellowships are for tuition and fees at California graduate or professional schools and are designed to assist in the development of the talents of able students in graduate and professional education.

State Graduate Fellowships are available to students who will be in their first or second year of graduate or professional school beginning Sept. 1, 1974.

Approximately 250 fellowships will be available for the 1974-75 academic year and are tenable for graduate degree work in the sciences, social sciences, humanities, the arts, mathematics, engineering, business, education and professional degrees in law, medicine, dentistry, veterinary medicine, pharmacy, and others which may be determined by the Commission.

Applications must be filed with the State Scholarship and Loan Commission by December 17, 1973. Announcement of winners will be on April 8, 1974. All fellowship applicants will be required to submit test scores from either the Graduate Record Examination, the Law School Admission Test, the Dental Admissions Test, the Medical School Admission Test, or the Admission Test for Graduate Schools of Business depending on the specific academic competition entered.

No test scores will be accepted from tests taken after December 15, 1973, and students must request that scores from previous test administrations be sent to the Commission by that date. Applications may be secured from California colleges and universities or directly from the Commission.

Maico Bikes OK For Off-Road Use

The ban against registering Maico motorcycles manufactured after January 1, 1973, as "off road vehicles" was recently lifted by the Department of Motor Vehicles.

The freeze went into effect June 21 at the request of the California Highway Patrol because the motorcycle's exhaust system was too noisy. Affected by the ban were model 125cc, 250cc, 450cc, and 501cc.

DMV Director Robert C. Cozens said the bike's West German manufacturers have solved the problem with a device that brings sound emissions to within legal limits.

Maico motorcycles basically are "trail bikes" not equipped for onroad use and DMV will continue to refuse them registration that would permit their use of conventional thoroughfares.

Owners who desire to obtain off-highway registration now may do so at any DMV field office. A Statement of Facts from the dealer or owner must accompany registration applications for those motorcycles manufactured after January 1. This document must identify the cc model and stipulate that an Exdusor II device has been installed on the machine.

An individual who registers a Maico manufactured before January also must furnish DMV with a Statement of Facts which stipulates the machine was built prior to that date.

Band Fund Drive

Lemon Grove Junior High Band members will kick off their annual candy sale Saturday, from 9:30 a.m. to 12:30 p.m. Members will go from door to door throughout the Lemon Grove area, and will be in uniforms. They will be selling boxes of candy for $1, and bars for 50 cents. Money collected will go into the band's uniform fund.

Greyhound Unveils New 'Americruiser'

by Lisa Goodwin

The Greyhound bus people unveiled a $72,500 cross-country bus a few days ago called the "Americruiser."

The bus was put on display at the Security Bank Plaza in the Community Concourse.

Inspection and short tour were given to local VIP's and the local press.

"We are creating new Americruisers at the rate of one a day and they are being put into service as they are completed," said Ron W. Hotchkiss, Greyhound area director.

The new safety features makes it 1.98 safer than railroads; 1.55 times safer than other buses, and 16.66 times safer than autos or taxis, he said.

In addition to safety, comfort and reliability has been built in, he said. The new model is sleek with sweeping sunglass side windows.

The new bus has climate control and a filter system which keeps the inside atmosphere smoke and odor free. An automatic transmission permits the driver to keep both hands on the wheels at all times.

There is also stretch room for passengers. The Americruiser has fewer seats than other Greyhound motor coaches. To reduce tire noise, double floors, fully insulated have been installed. A welded steel body with air suspension virtually eliminates squeaks and rattles. The coach is engineered for safety with a super strong frame, independently mounted rear trailing wheels which provide better roadability and better braking.

Helix Band Parades

The Helix High School Highlander marching band with the Showmanship and Identification Corps and Bag-pipes will travel to Chula Vista Saturday to participate in the Fiesta de la Luna parade. Lori Winsworth is Captain of the Corps with Co-Capt. Debbie Randall.

The Monthly Band Parent's meeting is Oct. 1, 7:30 p.m. in the band room.

New Mt. Miguel Student Exchange From Sweden

Mount Miguel High School welcomes Pierre Wilkner, a Y.F.U. foreign exchange student. He arrived in America from Sweden in late August. He will be staying a year with his American family, Mrs. Ruth Alcala, and her son Carlos, a junior at Mt. Miguel.

Pierre was born on the island of "Lidindo" outside of Stockholm. He has also traveled to France, Norway, Denmark, Finland, and Belgium.

He has one sister, Pamela. His father is a dentist, and his mother is an actress. He wishes someday to become an actor, and someday to make his own movies.

Pierre's favorite pastimes are partying, conversing with a few friends, watching TV, helping his father with gardening and—most of all—going to the theatre with his mom.

He also enjoys sports and is presently learning tennis, with hopes to learn how to swim "free style." He says, "Here in America is the best place to learn free style swimming." Surfing and racket sports are also some of his favorites.

Besides getting his education in drama, and the experience of speaking English, Pierre also wishes to familiarize himself with the American way of life.

Local Students On Honors List

Two local students were honored by having their names placed on the Academic Honors list for the spring quarter of the 1972-73 school year at California State Polytechnic University, Pomona.

Peggy L. Damata of Lemon Grove and Colleen S. Mason of Spring Valley were selected for their enrollment for 12 units or more and achieving a 3.0 (B) or better grade point average.

PTA Highlights

Palm Jr. High

The Palm Junior High Parent-Teachers Association will kick-off its 1973-1974 membership drive the week of October 1-5.

Carol Ybarrondo, membership chairman, has chosen the theme, "Will You Score or Fumble?".

As there will also be prizes for top winners.

Spring Valley Elementary

The September unit meeting of the Spring Valley Elementary PTA was "Back to School Night." Parents visited their children's classrooms and shared with the teachers the events and surprises planned for the coming year.

The short business meeting, held prior to classroom visitation was high-lighted by a "mock drawing" for a door prize. The most surprised person of all was the recipient, Mrs. Charmon Lehew, Principal. Her prize!! Her own yellow jeep . . . washed and shining. "This novel way of introducing, and surprising, the Principal, is just one of the many interesting surprises planned for the Spring Valley Elementary PTA during the 1973-1974 year.

Sea-life Study By UCSD-Scripps

Parents in San Diego County area this fall will be able to take a course with their children on Saturday mornings at Scripps Institution of Oceanography.

"Sealife Study for the Family" is a special program sponsored by UCSD Extension to give families an opportunity to learn together about living things in the ocean, from plankton to whales.

There will be five meetings, including a field trip to the tidepools. The first class session begins at 8 a.m. Saturday in Room 307 of Vaughan Hall at Scripps.

All adults, including teachers are welcome to enroll. Children should be fifth grade or above and must be accompanied by an adult.

Emphasis will be on learning to identify the animals inhabiting our local coast areas, according to instructor Heidi Dundon of the Scripps Aquarium-Museum staff.

"Also we're going to study differences of habitat, locomotion, food gathering and camouflage," she said.

Sea urchins, sand dollars, sea cucumbers, dolphins and whales, sand crabs and shore crabs, and grunion, sharks and garibaldi are on the list.

Instruction will be offered in collectiion techniques, use of the microscope and dissectioin, with adults and children working together as teams.

Pre-registration is urged. Please telephone the Extension office, 453-2000, extension 2061 for further information.

Coast Guard Seeks Candidates For Class Of 1978 At Academy

The United States Coast Guard Academy has announced that it is now accepting and processing applications for appointment as Cadet, U.S. Coast Guard, Class of 1978.

Appointments to the academy are tendered solely on the basis of an annual nationwide competition with no congressional appointments or geographical quotas. Applications for appointment must be submitted to the Director of Admissions, U. S. Coast Guard Academy, prior to December 15, and candidates must arrange to participate in the College Entrance Examination Board Scholastic Aptitude test prior to December 1.

The competition for appointment as Cadet is based on the candidate's high school rank, his performance on the CEEB Scholastic Aptitude Test, and his leadership potential as demonstrated by his participation in high school extracurricular activities, community affairs or part-time employment. Most successful candidates rank in the top quarter of their high school class and demonstrate proficiency in both the mathematical and applied science fields.

To qualify for the competition, an applicant must be unmarried and must have reached his 17th but not his 22nd birthday by July 1, 1974. The minimum educational requirement is a high school diploma; however, high school seniors assured of graduation by June 30, 1974, are eligible to compete.

Applicants must have completed three units in English, and three in mathematics including algebra and plane or coordinate geometry or their equivalents, and must fulfill the basic physical and moral requirements.

Coast Guard cadets obtain an undergraduate education at no personal cost and, in addition, receive pay and allowances to fulfill ordinary living expenses. The academy curriculum offers liberal arts, engineering, and professional subjects, with a choice of thirteen academic options.

Graduates of the academy are awarded the Bachelor of Science degree and are commissioned as Ensign in the United States Coast Guard. Selected officers may pursue further postgraduate education and specialized training in many leading civilian and military graduate or professional schools in such fields as aviation, business administration, electronics, engineering, law, naval architecture, and oceanography.

Youth Symphony Holds Auditions

Auditions for new musicians for the San Diego Youth Symphony's fall season will be held Saturday at 1 p.m. in the Saragossa Room of the Casa Del Prado at Balboa Park, San Diego.

Louis J. Campiglia, Conductor, urges any musician under the age of 25 to attend these auditions. He plans to move musically in many directions this year. The number of concerts to be given with soloists, ensembles and full orchestral performances with a wide repertoire will be increased.

Bobby Chacon and his wife, Fel

Fifth and Sixth Rated Fights To Top Coliseum Card Friday

Two sixth ranking boxers in the U.S.

It's not a bad boxing card when two of four bouts boasts fighters of that ability.

Sixth — that's "Schoolboy" Bobby Chacon rated number six in the featherweight division. He'll fight Jorge Ramos, a native of Buenos Aires who now lives in San Jose in a 10 round bout Friday at the Coliseum in San Diego.

Sixth—that's Dave Love, the classy, local middleweight scrapper who is rated number six in the country by RING Magazine. Love will take on Jose Martin Flores of Hermosillo, Mexico in the second 10-round set-to Friday.

Two prelims will complete the card.

Chacon, of Sylmar, has lost only one of his 20 professional fights—winning 17 of them by knockouts. He lost the one to former bantamweight champion Ruben Olivares when Olivares was rated number two.

Ramos is currently junior lightweight champion of California and is veteran of 52 fights. His record: 41 wins, 8 losses and 3 draws. He won 27 of the fights by ko's.

Dave Love is a popular young middleweight with a 20-3 record. He has a string of 16 straight victories with 6 of them so far this year.

Jose Martin Flores has a string of 18-8 and 3 draws. He recently beat Armado Munez (23-2) who was in line for a fight with Joe Napoles until Flores beat him and wrecked his plans.

Two preliminary fights — probably a four and a six rounder — will make up the remainder of the card.

Tickets are $3 general, $6 reserved and $7.50 ringside. Reservations may be made at 232-8362 and 232-1904.

Matadors Beat Barons 35-14 In Runaway Tilt

By Bill Ott, Jr.

CHULA VISTA — Coach Dwight Morris' Mount Miguel Matador football team, expected to battle for the Grossmont League championship, opened the 1973 season with a convincing 35-14 win over struggling Bonita Vista in a non-league affair last Friday night. The game was played in Southwestern College's fancy stadium.

The game, a lopsided event, was the kind all coaches and ball players dream about. Morris was able to empty his bench in the final chapter after his top troops marched to a 35-0 lead. Such an opportunity may not come again for quite some time as the Matadors prepare for regular league play after a second non-league scuffle tomorrow night against Sweetwater on the Matador turf.

Tomorrow night's game is expected to be the first of several tough encounters on this year's schedule. Sweetwater, last year's CIF Champions, pulled somewhat of an upset last Friday night with a 6-6 tie with top-ranked Kearny. Kick-off time for the battle is 8 p.m.

In last Friday night's meeting it was too much Mount Miguel offense and defense for Bonita Vista. The Barons were unable to stop the passing and running Matador offense led by Jess Jenner and Tom Gallagher and failed to dent the tough first string defense with any consistency.

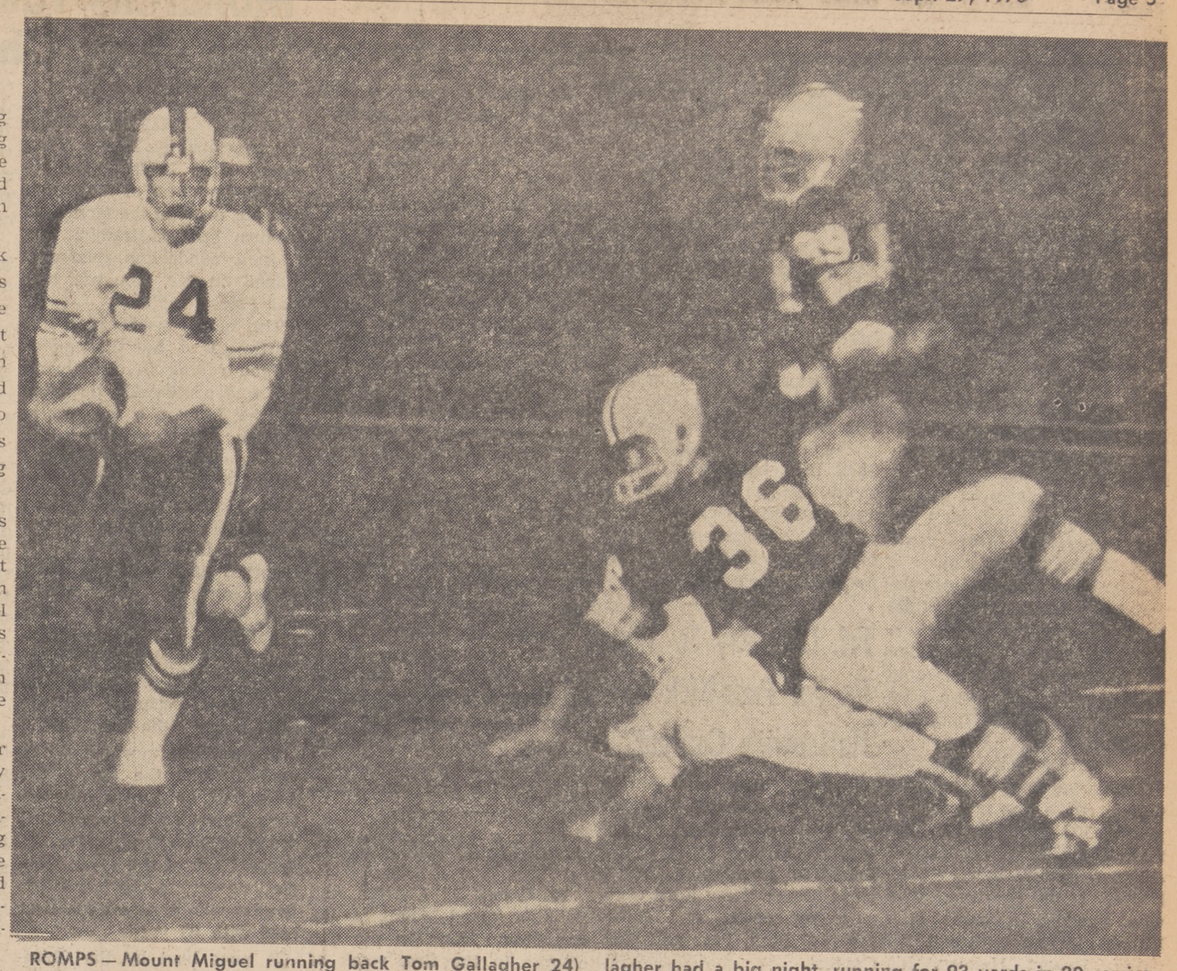
The Matadors were able to generate a strong running game with Gallagher leading the way. The strong running back ripped the Baron defense for 93 yards in 20 carries and finished the evening with three touchdowns.

With the running attack working smoothly, Jenner was able to attack by air. The senior quarterback, with great protection, completed seven of 10 aerials for 253 yards and one touchdown. In addition to his signal calling, Jenner was perfect with his toe, booting five of five PATs.

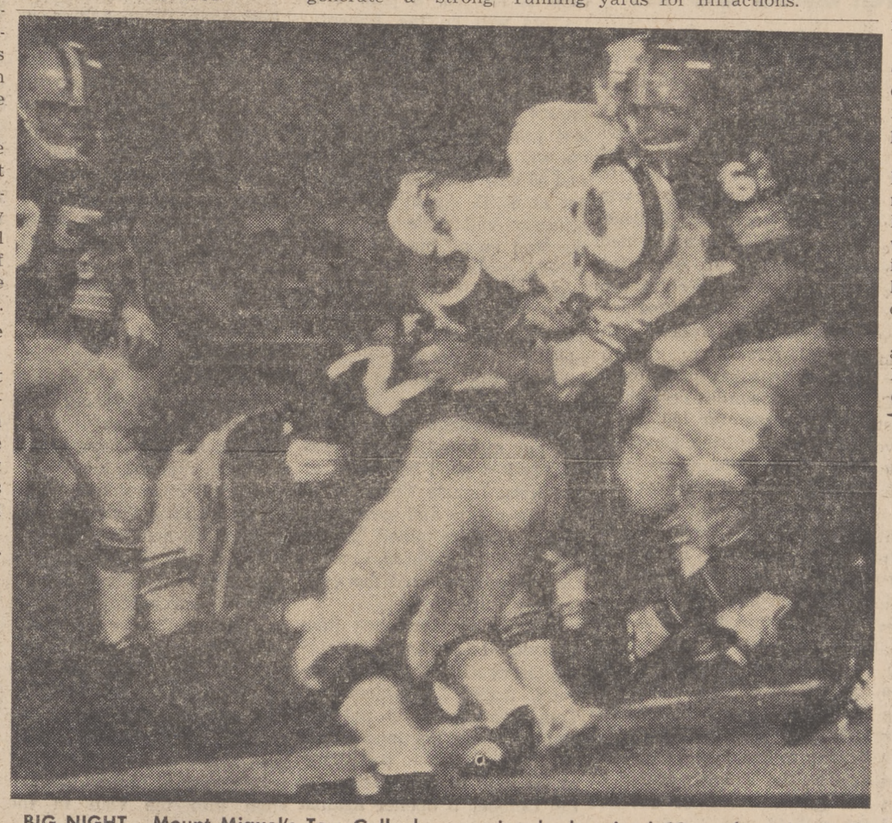
Defensively the Matadors were rugged. The Barons were held to 43 yards in the first half and faced a shutout in the second half until Miguel tallied 35 points and Morris emptied the bench. The charging defense sacked Baron quarterback Chris McBride seven times in the contest.

While Jenner and Gallagher turned in fine efforts, Rocky Lancaster ran into the spotlight. The fleet-footed Lancaster scored the remaining two Matador touchdowns, the first coming on a 30-yard pass from Jenner and the second on a 70-yard jaunt following a pass interception.

Seeking their second straight win tomorrow night, the Matadors will have to improve in one area, one that could mean the difference between a win and a loss—penalties. As in the Grossmont League Carnival a few weeks ago, penalties continue to haunt the Matadors. Last Friday night they were assessed well over 100 yards for infractions.



ROMPS — Mount Miguel running back Tom Gallagher 24) looks up field enroute to another long gain as Matadors opened season with easy 35-14 win over Bonita Vista. Gallagher had a big night, running for 93 yards in 20 carries and scoring three touchdowns. Matadors host Sweetwater Friday night. (Bill Ott, Jr. Photo)



BIG NIGHT — Mount Miguel's Tom Gallagher had a big night last Friday night as the Matadors ripped Bonita Vista 35-14. The big running back gained 93 yards and scored three touchdowns. (Bill Ott, Jr. Photo)

Grossmont League

This week's football games will feature Monte Vista against Bonita Vista at the Monarchs field. Monte Vista took the win last week against Clairemont 10-6 in a close game.

Mt. Miguel will take on Sweetwater at Mt. Miguel.

E.C. CoC Sponsors Air Show

The El Cajon Chamber of Commerce will hold its Eighth Annual Air Show and Air Cade at Gillespie Field Saturday and Sunday 10 a.m. to 4 p.m. each day.

This year's "skytacular" will feature the most skillful pilots ever to fly a high-wing aerobatic craft. They will perform stunts never seen before at air shows in So. California.

In addition to the many flying stunts and daring-do, displays are planned, including many antique aircraft, for entertaining the whole family. Tickets are $1.50, children 50 cents.

State Rehires Henn

Jack Henn, who resigned as volleyball coach at San Diego State University earlier in the month, has been rehired, Aztec assistant athletic director Gene Templeton announced.

Henn, who has been Aztec coach since 1967, resigned earlier in the month over differences with the Athletic Department.

"Jack and the department have reached a mutual agreement," Templeton said. "Jack has signed the same contract which he was offered earlier in the month. We are glad to have him back and are sure everything will be just fine."

Henn coached the Aztecs to a 20-5 record in 1972 and the NCAA Championship. He has compiled a 48-14 record at San Diego State since volleyball was sanctioned by the NCAA four years ago.

GC Water Polo Wins Seventh

Grossmont College won the Mission Conference Water Polo Tournament Saturday by sweeping past Riverside City (10-1), Chaffey (5-2) and Orange Coast College's JV (10-4). The Griffins played OCC, last year's state championship team, in the finals. The Pirate reserves were taking the place of Saddleback, which withdrew from the tourney.

Mike Krattli and Mark Crumbo scored three goals apiece in the championship tilt. John Scheuer added two more for the winners.

Girls Win Right To Play In After School Sports

Should a school be able to control the sports activities of female students after school hours? Apparently not according to Grossmont Board of Trustees who ruled last Wednesday to discard the regulation effecting students at Helix High School.

Until the decisioin, students that participated in school sports were unable to play in a similar atheltic event.

Reasoning behind the no-conflict rule was that students were likely to receive conflicting instructions from their school coaches and outside trainers ,and could suffer injuries.

Helix was the only school in the district with this rule, and it did not apply to the male athletes. As a resuult of the rule, four star female athletes were punished by having their school letters rescinded last year. They were not identified.

In striking down the rule against the girls participating in off-campus sports, the Grossmont Board said they would support the right of the school coaches to make a decision as to whether the student's off-campus sports activities were harming the individual's participation in school activites.

Ah, it used to be so simple.

Good old Piggy Bank, bless him, was always there when you needed him.

Drop the money in. Get some out when you needed it.

No hassle. No fuss. No gimmicks.

Kind of how you'd like your savings and loan to work.

Here's how we work:

Drop the money in. Get some out when you need it (plus a nice chunk of interest).

No hassle. No fuss. No gimmicks. No give-aways. No baloney about highest interest rates or lowest loan rates. (Surely you realize we're all pretty much the same in those areas.)

And we're always here when you need us.

La Jolla Federal; taking a lesson from the Piggy Bank.

If he paid interest, he'd be perfect.

Chargers Shooting For Two In Row Sunday

The Cincinnati Bengals with their fearsome 245-pound rookie fullback, Charles "Booby" Clark, will be trying to prevent Coach Harlen Svare from running his string to two Sunday at the Stadium.

Bengals Coach Paul Brown will toss in Isaac Curtis, last year's Aztec star and quarterback Ken Anderson to accent his determination.

The game starts at 1 p.m. and many fans will stay for the Aztec-Kent State game that follows at 7:30 p.m.

Last week the Charger defense sparkled again. While the offensive line came alive, it didn't make Coach Svare completely happy. He wants to move the ball more. The score: Buffalo Bills 7, Chargers 34.

Tim Rossovich led the Chargers as they hemmed in O.J. Simpson who nonetheless gained 103 yards in 22 carries. The Chargers intercepted four passes, two by linebacker Mike Stratton, who was awarded a game ball. Unitas hit 10 for 18 and 175 yards. Robert Holmes, his first game as a Charger, scored two touchdowns and was awarded the other game ball.

Johnny Unitas had the opportunity to run his career passing yardage to 40,000 Sunday. He was two yards shy when he left the game. Pro that he is he vetoed the invitation to get back in the game. "Those things are only interesting to you sports writers," he told reporters.

The game Sunday will be broadcast on KDEO and the Charger network but it will not be telecast unless a tremendous surge of ticket buying. There were more than 12,000 tickets available Tuesday.

The series between San Diego and Cincinnati is tied at 3-3.

In season play the Chargers lost to Washington 38-0 before beating the Bills 34-7.

The Bengals lost to Denver 28-10 then beat the Houston Oilers 24-10. The Bengals were 4-2 pre-season. Next week the Chargers will travel to Pittsburgh to meet the powerful Steelers.

Fri. Last Day To Sign Up For Pass-Kick-Punt Nationwide Contest

Lemon Grove and Spring Valley grade school and junior high school boys ages 8 through 13 may apply to the La Mesa Recreation Department or the Drew Ford Company for registration forms for 1973 Punt, Pass and Kick Contest.

The 13th annual event, sponsored by the National Football League and Ford Motor Company, is a national competition for young boys to show their talents in moving a football by passing, kicking and punting.

Since its inception the contest has attracted more than nine million youngsters. Registration is open through Friday at the Recreation Center at 84440 University ave., La Mesa or Drew Ford at 8970 La Mesa blvd.

No special footgear may be worn in any level of competition. Sneakers or street shoes are permitted in local and zone contests.

A copy of the rules will be given to each boy at the time of registration. Parents or guardians must sign the official entry form.

Competition begins at the local level on Sept. 29, and moves to zone, district, area, divisional and national levels. No entrance fee or special equipment is required. There is no body contact and participation does not impair a youth's amateur standing.

Griff Harriers Open '73 Season

Grossmont College will begin its bid for a fifth straight Mission Conference cross country championship Friday afternoon when the Griffins begin the conference season at Palomar College. Saddleback College will also be opening its season Friay on the Comets' course.

The Griffins, who have never lost in 28 conference outings, will face the Comets in a meet both Grossmont coach Bob Larsen and Palomar coach Mike Curran feel will decide the Mission championship.

In two races this year, Palomar has won the small school championship at Long Beach and last Saturday took the large school title in the Moorpark Invitational.

Meanwhile, Grossmont, in its only race this year, took first place honors in the large school division at Long Beach. Terry Cotton won that race in record-breaking time and his teammates grabbed fourth, fifth, eighth and 12th place.

Looking At the League

El Cajon, El Capitan and Santana joined Mount Miguel and Monte Vista in the win column in the first week of football play. Three other teams, Helix, Granite Hills and Grossmont were losers in the non-league encounters.

The El Cajon "win" was a 24-22 ordeal over Chula Vista. The game was suspended with four and one-half minutes remaining and Chula Vista in possession of the ball on their own 29. After two power outages and more than three hours of on-and-off play, the game was suspended and declared no contest.

LeRoy McGee was the standout for the El Cajon team. He scored two touchdowns and ran two PATs for a 16-point night.

El Capitan overpowered Poway, 34-6, in Lakeside. The Vaqueros held a 14-0 halftime lead and moved out in front 21-0 going into the fourth period. Poway scored once in the final chapter before the Vaqueros added 13 more points for the win.

Although he failed to hit paydirt, running back Art Preston led the Vaqueros, setting up two scores while gaining 102 yards in 14 carries.

Helix succumbed to a tough Crawford team, 16-6. The Highlanders trailed at the half, 9-0, and 16-0 in the fourth period before putting six points on the board. Pat Chevalier was the Helix standout, scoring the lone Highlander touchdown and gaining 73 yards in 16 carries.

Santana scored eight big points in the final four minutes of the game to drop visiting Palo Verdes, 15-14, in a game played at Mount Miguel. A gamble by Coach Joe DiTomaso paid off for the Sultans. Ken Akenson scored a touchdown that narrowed the score, 15-14. The Sultan head coach decided to go for the win instead of the tie and send Akenson into the end zone for a two-point PAT and victory.

Granite Hills was the victim of the PAT. Castle Park was able to convert successfully three timse for 21 points, the Eagles failed one kick attempt and two attempts to run the ball and settled for 18 points and an upset loss.

Larry Downs, super running back for the Eagles had another big night. The flashy back finished the evening with 106 yards in 23 carries and scored two of the three touchdowns.

Grossmont's Foothillers were ripped by Patrick Henry, 24-18. The Patriots had 14-point efforts in the second and fourth chapters with six points sandwiched in the third quarter for the win. The highly-ranked Patriots held Grossmont to single scores in the second, third and fourth quarters.

Milk production in 1973 is expected to be 120.3 billion pounds, less than in 1972 because of high feed costs.

Monarchs Take Slim Win Over Chieftains

by Bill Ott

SPRING VALLEY — Three interceptions by Monte Vista safety Carl Haynes, two in the final minutes of the fourth quarter, enabled the Monarchs to turn back Clairemont, 10-6, in a non-league encounter played on the Monarch turf last Friday night.

The Monarchs held at 10-0 halftime lead, but Clairemont started rolling in the second half and continually threatened the Monarchs, eventually scoring a touchdown in the third quarter and slicing the Monte Vista lead, 10-6.

Haynes was a standout in the fourth and final quarter. One of his three pass thefts occurred at the Monte Vista three yard line. On the last play of the game Haynes stymied another desperate Chieftain threat with his third interception of the game. His first theft occurred on the final play of the first half.

Monte Vista moved the ball well through the air in the first half as junior quarterback Steve Perdue completed seven of 12 attempts for 124 yards. Four of the seven completions were to receiver Mitch Bonilla who finished the first half with 83 yards.

A poor boot by the Chieftains helped the Monarchs get on the scoreboard early in the second quarter. The punt traveled a mere five yards and the Monarchs took advantage of the kick when Perdue tossed a 15-yard pass to Scott Overlund for the touchdown. Jeff Godwin, who split the uprights with a 30-yard field goal, added the PAT, giving the Monarchs their 10-0 first half lead.

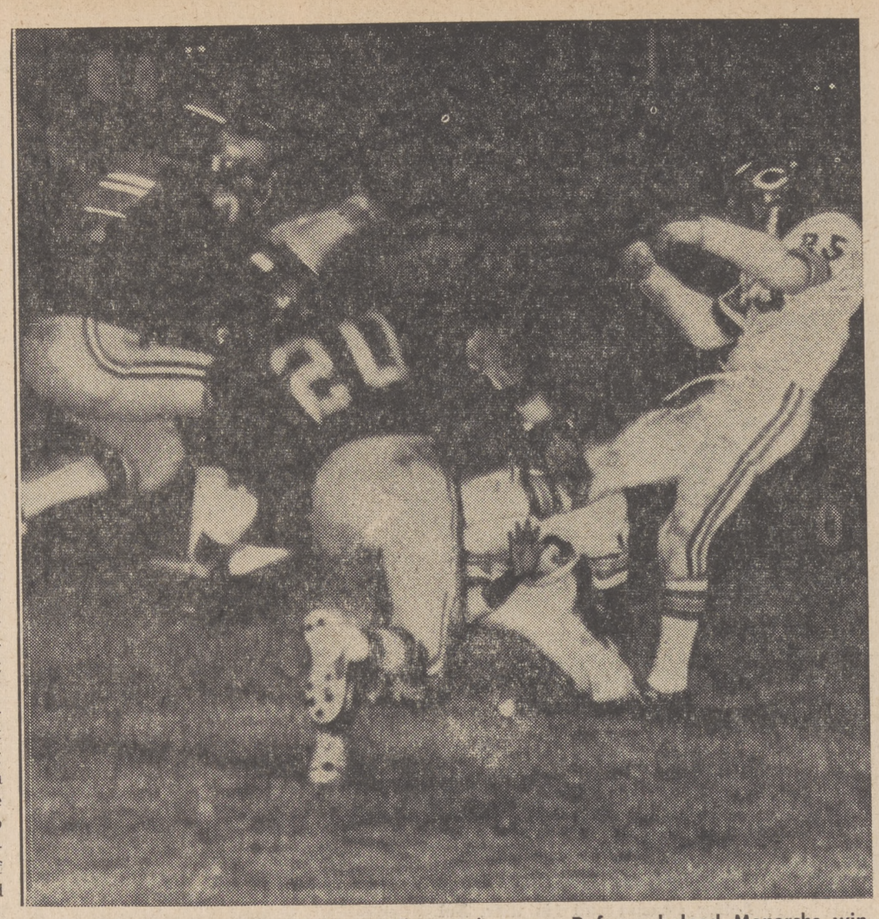
Monte Vista had a big scoring opportunity in the final minutes of the first period, but failed to hit paydirt. The Monarchs moved to the Chieftaian one and failed to get six points after trying the middle of the visitor's defense four times unsuccessfully.

Clairemont's defense was matched by the Monarch dedense near the goal line. Perdue had a pass intercepted deep in his own territory late in the third stanza and the Chieftains returned the ball to the Monte Vista six. Monte Vista's defense rose to the occasion and halted the Clairemont scoring opportunity at the Monarch four.

Coach Stan Davies' Monarchs were operating without their two first string running backs. Fullback Pete Loftin missed the game with a severe leg bruise, while they will go through the entire 1973 campaign without the services of Bill Brink who was injured in a scrimmage.

The Monarchs host Bonita Vista tomorrow night at 8 p.m. The Barons are coming off a lopsided 35-14 loss to Mount Miguel.

Score by Quarters					
Monte Vista	0	10	0	0	10
Clairemont	0	0	6	0	6



KICK BLOCKED — A group of Monte Vista Monarchs block an attempted PAT kick by Clairemont Chieftains following lone Chieftain score. Defense helped Monarchs win opener, 10-6. (Bill Ott, Jr. Photo)

Griffs Win 2nd Straight Top San Bernardino 30-27

Behind a sterling 171-yard rushing effort by fullback Frank Woolrich and a 216-yard passing perfrmance by freshman quarterback Joe Roth the Grossmont College football team toppled San Bernardino Valley College, 30-27, in the Mission Conference opener for both schools Saturday at Orange Show Stadium.

Grossmont rolled up 464 yards total offense as the Griffins claimed their second thrilling victory of 1973. The two wins equals what it took last year's Grossmont team 10 games to accomplish.

Woolrich carried 25 times and scored three touchdowns from short range. The burly 195 pound running back increased his season output to 288 yards. He appears well on his way to breaking the Griffin season rushing record of 773 yards set by Bart Williamson in 1968.

Roth, a lanky 6-3, 180-pounder, hit 17 of 23 passes against San Bernardino's three deep secondary. He threw a 16-yard scoring pass to Dave Oliver in the first quarter and his tight end Bill Helms with a 27-yard aerial in the final stanza. Roth has now hit 37 of 62 passes (a percentage of 59.7) for 359 yards and three touchdowns.

Grossmont's defense was not nearly as impressive against San Bernardino as it was in the season-opening 8-7 win over Long Beach City College. However, let it be noted that the secondary of Jim Rice, Chuck Gasenica, Bob Lucas and Harry Scott deflected seven passes from would-be Indian receivers.

San Bernardino quarterback Tim Tharaldson hit only three of 20 passes for 49 yards against the Griffins. However, Tim Cunningham galloped through the Grossmont defense to the tune of 175 yards and two touchdowns.

Grossmont rolled up 26 first downs as compared to 14 for San Bernardino.

The Griffins don't have anytime to rest as they face Southwestern College Saturday afternoon at 1:30 in Aztec Bowl. The Apaches opened the Mission Conference season by bowing to San Diego City College as the Knights scored in the game's final 43 seconds for a 21-16 win.

Aztecs Open Play Sunday

The Aztecs take on the Mid-America Conference champion Kent State U. Sunday at San Diego Stadium at 7:30 p.m. Sunday following the Chargers game.

It is the Aztecs home opener.

Last week the Aztecs rallied from 7-0 halftime deficit to stop Utah State 35-7.

Kent State beat Ohio U. 35-7. It looks like a tight game Sunday. On a previous engagement the Aztecs stopped Kent 14-0 in a rainstorm.

Aztec Coach Claude Gilbert will be facing his first test at home. What with his predecessor, Don Corryell, coach of the Cadinals beating the daylights out of National Football Conference teams (2-0) Gilbert will have double pressure.

The game can be heard over KFMB with Ron Reina calling the action.

Gulls Opener Week Away

The San Diego Gulls open their eighth season in the Western Hockey League next week on Friday night, October 5 in the Sports Arena. Gametime is set for 8 p.m. The visitors will be the Phoenix Roadrunners, the defending champions of the WHL.

Ticket prices for all Gull games will be the same as last year. Reserved seat tickets will sell at $5, $4.50, $3.50 and $3 with general admission set at $2.50. Again this year students will receive a $1.00 discount on all but the $5 reserved seats.

Coach Jack Evans had a good look at most of his younger players in last Friday night's first pre-season game against the Portland Buckaroos in Bellingham. Portland topped San Diego 4-2 as Evans sat out most of his veterans and took a good hard look at the kids. Laurie Yaworski, a one year pro and newcomer Bernie Gagnon tallied for the Gulls. John Adams and rookie Dave Fischer shared the goaltending duties.

Veteran performers John Miszuk, Al LeBrun, Bob Courcy, Gerry Goyer, Bob Champoux, Roger LeFreniere and Tom Trevelyan did not see action in the Portland game. All are expected to see plenty of ice time in preparation for the October 5 opener against Phoenix.

The first month of the 1973-74 season the Gulls will play six home games, three on Friday, two on Saturday and a Sunday evening contest. The Phoenix game which is the home opener is the first Friday night contest of the young season. Then on Sunday the 7th the Seattle Totems make their first appearance in San Diego in a game which will faceoff at 7 p.m.

Faceoff for all Gull games is 8 p.m. with the exception of the Sunday games which begin at 7 p.m.

Mildred Elexander Returns For Southland Concert

Mildred Alexander, nationally-known pop organist, will fill a return engagement on the Southland Music Center stage, 3459 Imperial ave., Lemon Grove.

The concert will be at 8 p.m. Saturday.

Ms. Alexander gave a farewell-to-the-west-coast concert in April, just prior to returning to Florida, her home.

While on the west coast she appeared on numerous programs including the Home Organ Festival at Asilomar.

Seating is by reservation only. Tickets are $2 and may be reserved at 463-0308.

Borneman Takes Cajon's Main Event For 5th Win

John Borneman stayed out in front the full 30 laps Saturday night at Cajon Speedway to claim his 5th main event of the season.

Borneman finished three car lengths over a hard charging Jim Hitt who was trying for his 2nd in a row to keep his hopes alive to overtake Pat McIntyre of Spring Valley and John Dineen of El Cajon in the 1973 Point championship.

Dineen's 6th place finish recaptured the lead from McIntyre by 70 points as McIntyre failed to qualify for the Main and places Hitt 160 points from the front.

Borneman has been setting a hot pace giving the front runners a fight for their money and challenging Hitt for main event wins.

It still is the passing points that are making the difference in the championship with Dineen starting 20th and Hitt 18th in the heats.

Borneman moved to an eight car length lead by the sixth round when Ed Hale spun in traffic on the south turn causing a yellow, he was able to move out six cars ahead when on the 13th lap Carl Simon let go with mechanical problems and Crossland and Wes Osborn collided trying to miss him as Henyan spun into the wall in the north turn.

Hitt came from 12th spot to challenge Borneman on the 17th round and two laps later Hale and Crossland spun and caused yet another yellow. On the re-start Hitt continued to pursue John but ran out of laps unable to catch the young speedster.

Ron Overman had one of his better races coming from 13th to take 4th behind Mark Norris who started 8th.

The final tune-up for the 1973 stock car championship gets underway at Cajon Speedway Saturday night at 8 p.m.

Included in the program will be the powder puff Grand Prix, the girl's final race of the season.

Historic Del Mar Slated For New Off Season Work

Shortly after the last horse crosses the finish line and the final race of the 1973 season is declared official, Del Mar Thoroughbred Club will embark on a major $1.8 million program of expansion and improvement designed to further enhance the comfort and charm of the popular seaside track.

Major feature of the program, according to Vice-President and General Manager Donald B. Smith, are:

—1,400 more Clubhouse seats, including 200 box seats, all under cover.

—Enlargement of betting facilities in the Clubhouse and Turf Club.

—Creation of a Clubhouse Mezzanine level with cocktail bar, dining and betting facilities.

—New Jockeys' Quarters.

—Complete air-conditioning of both Clubhouse and Turf Club.

—New Administrative Offices.

—Addition of approximately 49,000 square feet to the plant.

"Although Del Mar is being enlarged", stated Smith, "every effort is being made to preserve the relaxed, easy-going atmosphere and the distinctive Spanish architecture which has been the track's main charateristic since it was founded in 1937 by Bing Crosby and Pat O'Brien.

"In the years ahead, we expect that Del Mar will take its place alongside the major racetracks of the nation and this present improvement program is just the opening phase of an over-all plan to expand the facility over the next several years."

According to terms of Del Mar Thoroughbred Club's 20-year lease with the 22nd Agricultural District, 75% of net profits are paid annually to the State of California as rent until an $8 million capital improvements plan has been funded for the racing facility. Then, the rent will be reduced to 50%.

Del Mar Thoroughbred Club, headed by President Thomas M. Hamilton and his seven associates on the Board of Directors, assumed control in 1970 and since then business has increased by more than 50%.

San Diego Zoo Open Free Mon.

More than 10,000 visitors are expected to take advantage of free admittance to the San Diego Zoo on Monday, Oct. 1, when the Zoo celebrates its annual Founder's Day.

Each year, on the first Monday in October, the Zoo honors the late Dr. Harry M. Wegeforth, founder of the world-famous attracion. All visitors are admitted free to the grounds from 9 a.m. to 5 p.m. Last year, 10,912 persons visited the Zoo on Founder's Day.

Children under 16 are always admitted free to the Zoo, but adults ordinarly pay $2.00 at the main entrance. Normal admission charges remain in effect for the Zoo's guided bus tour. Children's Zoo and Skyfari cable lift, officials point out. The free admission policy applies only to the Zoo in Balboa Park, not to the San Diego Wild Animal Park 30 miles to the north.

NOTICE OF SALE
OF PROPERTY DELINQUENT FOR NON-PAYMENT OF STREET BOND NO. 386, SERIES NO. 235, FOR THE IMPROVEMENT OF East San Diego Villa Heights
IN THE COUNTY OF SAN DIEGO, CALIFORNIA.

Default having been made in the payment of the following named coupons:
Interest $24.87 due January, 1973. Principal $103.62 due January, 1973. Interest $21.76 due July, 1973
and the holder of said bond having demanded in writing that the Treasurer of the County of San Diego proceed to advertise and sell the lot or parcel of land mentioned in the bond.

NOW, THEREFORE, I give notice that I will on the 15th day of October, 1973 at the hour of 9:30 o'clock A.M. of said day, sell at public auction the lot or parcel of land mentioned in said bond, or so much thereof as may be necessary, at the office of the said County Treasurer in Room 102, County Administration Center, 1600 Pacific Highway, San Diego, California, UNLESS the amount due on said bond and accrued interest thereon together with the cost of publication of this notice are paid; and that I will so sell the same to the person who will take the least amount of said lot or parcel of land and pay the full amount of unpaid principal and interest on said bond, together with costs of publication. The lot or parcel of land mentioned in said bond and to be sold, is more particularly described to wit:

Lot 6 Block 20, East San Diego Villa Heights, Map No. 1317

The amount due on said bond up to date of this notice is as follows:

Due on account of principal thereof,	$829.07
Due on account of interest,	63.10
Due on account of penalties,	2.15
Total amount due on said bond,	$894.32

In order to avoid this sale, payment of the total amount above named will be required together with the cost of publications made before such payment and the additional interest accruing up to the date of payment. Bond may be reinstated upon payment of amounts due, interest, penalties, and fees, in the manner provided by law.

In the event of sale, such sale will include interest in addition to the above total amount due accruing up to the date of sale, and the cost of publication of notices of sale, and One Dollar ($1.00) for the issuing of Certificate of Sale.

Spring Valley Bulletin is designated as the newspaper in which this notice shall be published.

DATED: September 11, 1973

TREASURER,
SAN DIEGO COUNTY
S.V. Bulletin Sept. 27 & Oct. 4

NOTICE OF INTENTION TO VACATE AND ABANDON SLOPE EASEMENT, LA PRESA
Vac. 73-26

PUBLIC NOTICE IS HEREBY GIVEN that the Board of Supervisors adopted a resolution on August 28, 1973, declaring its intention to vacate and abandon the following described easement:

Parcel 73-0334 A

The Easterly 3.00 feet of Lot 72, the Easterly 4.00 feet of Lot 73, and the Easterly 6.00 feet of Lot 74, all in Block 15 of East Side Addition To La Presa Heights Tract No. 1, according to Map thereof No. 2050 on file in the Office of the County Recorder of San Diego County, State of California.

Lot 73, and the Easterly 6.00

The Board has fixed October 17, 1973, at 2:00 p.m. and the North Chamber of said Board, Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, as the time and place for hearing on said resolution of intention.

YOU ARE HEREBY NOTIFIED to appear at the time and place fixed for said hearing and show cause, if any you have, why said highway should not be vacated and abandoned.

For further details reference is hereby made to said resolution of intention on file in the office of the Clerk of the Board of Supervisors, Room 306 of Said Administration Center.

BY ORDER OF THE BOARD OF SUPERVISORS adopted August 28, 1973.
PORTER D. CREMANS
Clerk of the
Board of Supervisors
By Sara Drew, Deputy
S.V. Bulletin, Sept. 27 & Oct. 4

OF PROPERTY DELINQUENT FOR NON-PAYMENT OF STREET BOND NO. 616, SERIES NO. 235, FOR THE IMPROVEMENT OF East San Diego Villa Heights
IN THE COUNTY OF SAN DIEGO, CALIFORNIA.

Default having been made in the payment of the following named coupons:
Interest $46.56 due January, 1973. Principal $193.99 due January, 1973. Interest $40.74 due July, 1973.
and the holder of said bond having demanded in writing that the Treasurer of the County of San Diego proceed to advertise and sell the lot or parcel of land mentioned in the bond.

NOW, THEREFORE, I give notice that I will on the 15th day of October, 1973 at the hour of 9:30 o'clock A.M. of said day, sell at public auction the lot or parcel of land mentioned in said bond, or so much thereof as may be necessary, at the office of the said County Treasurer in Room 102, County Administration Center, 1600 Pacific Highway, San Diego, California, UNLESS the amount due on said bond and accrued interest thereon together with the cost of publication of this notice are paid; and that I will so sell the same to the person who will take the least amount of said lot or parcel of land and pay the full amount of unpaid principal and interest on said bond, together with costs of publication. The lot or parcel of land mentioned in said bond and to be sold, is more particularly described to wit:

Lots 11 & 12 Block 33, East San Diego Villa Heights, Map 1317

The amount due on said bond up to date of this notice as follows:

Due on account of principal thereof,	$1,551.92
Due on account of interest,	118.11
Due on account of penalties,	25.69
Total amount due on said bond,	$1,695.72

In order to avoid this sale, payment of the total amount above named will be required together with the cost of publications made before such payment and the additional interest accruing up to the date of payment. Bond may be reinstated upon payment of amounts due, interest, penalties, and fees, in the manner provided by law.

In the event of sale, such sale will include interest in addition to the above total amount due accruing up to the date of sale, and the cost of publication of notices of sale, and One Dollar ($1.00) for the issuing of Certificate of Sale.

NOTICE OF TRUSTEE'S SALE
T.S. No. 73-12023

On October 24, 1973, at 1:00 P.M., FEDERAL NATIONAL MORTGAGE ASSOCIATION, as duly appointed Trustee under and pursuant to Deed of Trust dated November 8, 1971, recorded November 30, 1971, as inst. No. 584, in book 1971, file/page 277557, of Official Records in the office of the County Recorder of San Diego County, State of California, WILL SELL AT PUBLIC AUCTION TO HIGHEST BIDDER FOR CASH (payable at time of sale in lawful money of the United States) at the Broadway entrance of the County Courthouse at 220 West Broadway, in the City of San Diego, California, all right, title and interest conveyed to and now held by it under said Deed of Trust in the property situated in said County and State described as:

Lots 47 and 48, in Block 2 of EASTSIDE ADDITION TO LA PRESA HEIGHTS TRACT NO. 1, in the County of San Diego, State of California, according to Map thereof No. 2050, filed in the office of the Recorder of San Diego County, August 10, 1927.

The street address and other common designation, if any, of the real property described above is purported to be: 858 Pecos Street, Spring Valley, California.

The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein.

Said sale will be made, but without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining principal sum of the note(s) secured by said Deed of Trust, to-wit: $21,695.92, with interest thereon, as provided in said note(s), advances, if any, under the terms of said Deed of Trust, fees, charges and expenses of the Trustee and of the trusts created by said Deed of Trust.

The beneficiary under said Deed of Trust heretofore executed and delivered to the undersigned a written Declaration of Default and Demand for Sale, and a written Notice of Default and Election to Sell. The undersigned caused said Notice of Default and Election to Sell to be recorded in the county where the real property is located.

Date: September 14, 1973.
FEDERAL NATIONAL MORTGAGE ASSOCIATION

Lower 73-74 School Tax Rate Announced By Superintendent

The Lemon Grove and La Mesa-Spring Valley School Districts will have lower school tax rates in the 1973-74 school year, M. Ted Dixon, county superintendent reported.

Lemon Grove's 1973-74 tax rate is 2.635 as compared to a 3.827 for the 1972-73 rate. This results in a change of minus 1.192 Dixon's report said.

The La Mesa-Spring Valley tax rate for 1973-74 is 2.665 as compared to a 3.622 in the 1972-73 year. This is a minus .957.

However the report said that the tax rate for the Grossmont Community College will increase .021 from a 1972-73 rate of .826 to a new rate of .847. The Grossmont Union High tax rate fell .679 from a 3.229 in 1972-73 to 2.550 for 1973-74.

Dixon's report said that in all, 30 of San Diego County's 48 school districts will have a lower educational general purpose tax rate .

He said that tax rates were set recently by the county board of supervisors and the county auditor, based on information submitted by school districts through the county department of education.

Dixon gave several factors that influenced the changes in the school rate. He cited recent legislation giving the state a larger share of the responsibility for school support and legislation aiming to equalize the tax burden among wealthy and poor districts along with changes in assessed valuation within a given district.

He also gave credit to the desire of communities, expressed through local boards of education, to modify or improve existing educational programs or to add new programs within frameworks established by the education code.

Many property owners will enjoy a substantial reduction in their school tax rate this year, county officials explained. For example, with a $30,000 home, assessed at 25 per cent, every penny reduction in the tax rate results in a 75-cent reduction in the tax payment.

The highest rates were levied in unified districts, where one tax applies to the entire kindergarten through twelfth grade program, Dixon said. "To compute the total school tax in a non-unified district, the appropriate elementary and high school district tax rates should be totaled. This total may be higher or lower than the tax rate in unified districts," he explained.

Dixon said that the 18 districts with higher tax rates this year are generally those with high assessed valuation which were adversely affected by recent legislation to equalize the tax burden among wealthy and poor districts.

Other factors determining the tax rate vary from district to district, Dixon said, and questions about such factors should be referred to the appropriate district office.

Ralph Nader To Speak To Professional Group

Ralph Nader will address the annual Medical/Dental/Legal dinner on October 9 at the Bahia Hotel, West Mission Bay Drive, attorneys Sidney A. Stutz and Sheridan Reed, dinner co-chairmen, announced.

Nader will address the tri-professional social event on the subject of "Who Runs Congress."

The purpose of the dinner according to Stutz, is "To permit members of the San Diego County Medical Society, the Dental Society and the Bar Association to exchange experiences and attitudes governing professional relationships."

No-host cocktails are scheduled for 6:15 p.m., dinner at 7:15 p.m. and the guest speaker at 8:15 p.m.

American Indians, when they wanted to dye something red, used the juice of the bloodroot plant.

The San Diego Better Business Bureau has these tips for you to follow when you plan to have work done on your car. Take the time to find an established and reputable repair firm. Ask for a written estimate but remember an estimate is not a final price. Tell the manager not to perform any additional work without your authorization and leave a phone number where you may be reached. If the job is guaranteed, ask for the guarantee in writing.

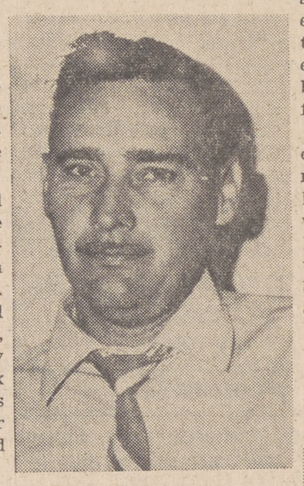
Grantham Named Review-Bulletin News Editor

Ed Grantham, 41, was named news editor for the Lemon Grove Review and Spring Valley Bulletin replacing John Nicholson.

A retired Marine, Grantham served 22 years as a writer for the military and was selected as the Marine Corps top news writer for 1973.

The award was presented at the Roosevelt Hotel in New York City last Saturday. It marked the second year in a row that Grantham was recognized by the association, having won the 1972 award for the best radio feature.

This years award winning story dealt with the homecoming of Marine POW's and their story on how they lived



ED GRANTHAM

for more than five years in Hanoi prison camps.

The father of five children, Grantham and his wife Olga presently reside in Carlsbad. A native of Hapeville, Ga., he has served in Southern California at MCAS, El Toro, Santa Ana and Camp Pendleton.

His last duty assignment was as the press chief for the Pendleton Public Affairs Office.

For his service in the Korean War, Grantham won the Air Medal as a member of the first Marine Corps helicopter transport squadron to see combat. In Vietnam he was awarded the Bronze Star Medal and Purple Heart for his actions in combat near the northern city of Hue. He retired August 31.

School Has Job Opening Now

The La Mesa-Spring Valley School District has openings for project managers in both early childhood education language arts and child development center/preschool.

Job qualifications and descriptions for both positions have been distributed for posting in all district schools. Further information and application forms are available through Tom Vandruff, Assistant Superintendent, Personnel, at 4750 Date ave., La Mesa.

Sheriff's Helicopter Involved In Medical, Police Activities

A 74-year-old man lay immobile with a broken hip on an inaccessible mountainside north of Escondido. The Sheriff's helicopter was called in and transported the man from the mountainous terrain to an ambulance waiting below.

A dune buggy rolled down Devil's Slide sand hill near Ocotillo Wells in the Borrego Desert, fatally injuring a San Diego man. The Sheriff's helicopter, the only available transportation, rushed to the scene in a futile effort to save the man.

On routine patrol, a Sheriff's helicopter observed a fire at Barrett Junction and orbited overhead coordinating with the aerial tanker director. Later two firefighters overcome by smoke were lifted and flown to a hospital.

While searching for stray cattle in Boden Canyon, a Ramona man was crushed when his jeep flipped over backwards. It would have taken hours for a ground rescue team to get him to a hospital, but the Sheriff's helicopter did it in 14 minutes.

"Medivacs" are just one important service of the San Diego County Sheriff's Department helicopter program. The helicopters were involved in spotting 130 shopping carts being hidden on a seven-story apartment building in National City, stopping an avocado raid in El Cajon, sighting 15 hikers lost on Mount Palomar, searching for an escaped convict in the rugged Mission Hills Canyons, and numerous other incidents throughout the county ranging from recovering stolen vehicles to confronting burglary suspects.

However, not all the work is so glamorous. The helicopter detail may find an assignment will take them into a junior high school classroom, a Kiwanis luncheon, or a shopping center to explain the helicopter program to residents who have been initiating complaints regarding its operation.

"We get calls almost daily from citizens who were awakened by a bright light," Morse said. "But when we contact them personally and explain that a prowler was reported in the area, 95 percent are satisfied and support the program."

"We don't utilize our light without reason,' he said. "We use it only when asked to do so or when we see something that isn't right."

Morse explained that when the patrol helicopter is inspecting a business or school for criminal activity at night, it is necessary to allow the light a 30 second warm-up before getting over target.

"The observer operates the light and directs the beam straight ahead until over the target,' Morse said. "Tracking the light from business to business along streets or vacant lots sometimes results in what we call 'spillover' on residences."

Many citizens also complain about the noise of the helicopter especially during the summer.

"On a calm, hot night, the atmospheric condition aggravates the problem,' Morse explained. "An effort is being made at this time to procure more effective mufflers. Also we are constantly adjusting our altitude to cut down on the noise. We fly between 1200 and 1500 feet at night to keep the noise down ever though it's harder to see at that height."

"We have been criticized on several occasions for flying too low when, in fact, none of our helicopters were airborne,' he said. "There are several other helicopters operating in the metropolitan area."

The Sheriff's operation, based at Gillespie Field, is being financed by a $300,000 Federal grant and $200,000 from the County. This represents the initial cost for one year and covers the purchase of the equipment. In future years, the expense will drop to the maintenance cost of $75,000.

The helicopters regularly could be attended in transit by a trained medic," he said. "Also the Jetranger cruises at twice the speed of our present helicopters."

"The helicopter detail is constantly trying to improve their service to county residents. Every Friday afternoon the entire unit meets to discuss new technique and problems in a training seminar.

"We are constantly educating ourselves and looking for patrol the populous areas of Spring Valley and Lemon Grove and portions of San Diego but may appear anywhere they are needed in the County.

"We can observe 40 times as much from a helicopter than we can from a patrol car,' Morse said. "Also it has been proven that an omnipresent patrol decreases crime 8 to 11 percent."

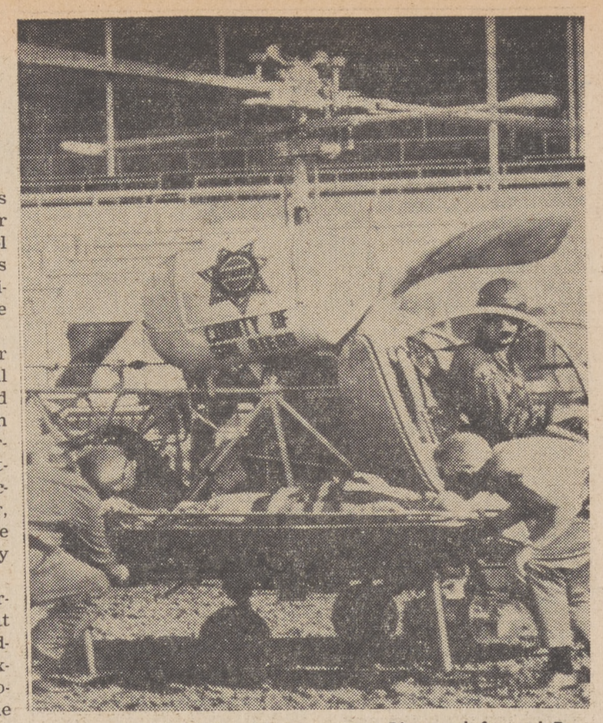
The San Diego helicopter detail consists of two Bell 47G5's for regular use and one Bell 47G3B2 with high altitude rescue capacity. Currently, the Sheriff's Department is researching the acquisition of a Bell Jetranger, a five-seater which can be converted in seconds to carry two patients in litters.

"The problem with our current medivac method is that a patient cannot receive medical aid in transit," Morse explained, "Also there's an emotional disadvantage as the person is carried outside the helicopter on a litter attached to the landing skid. Actually it's a very pleasant place to ride, but the victim may feel otherwise if he looks down.

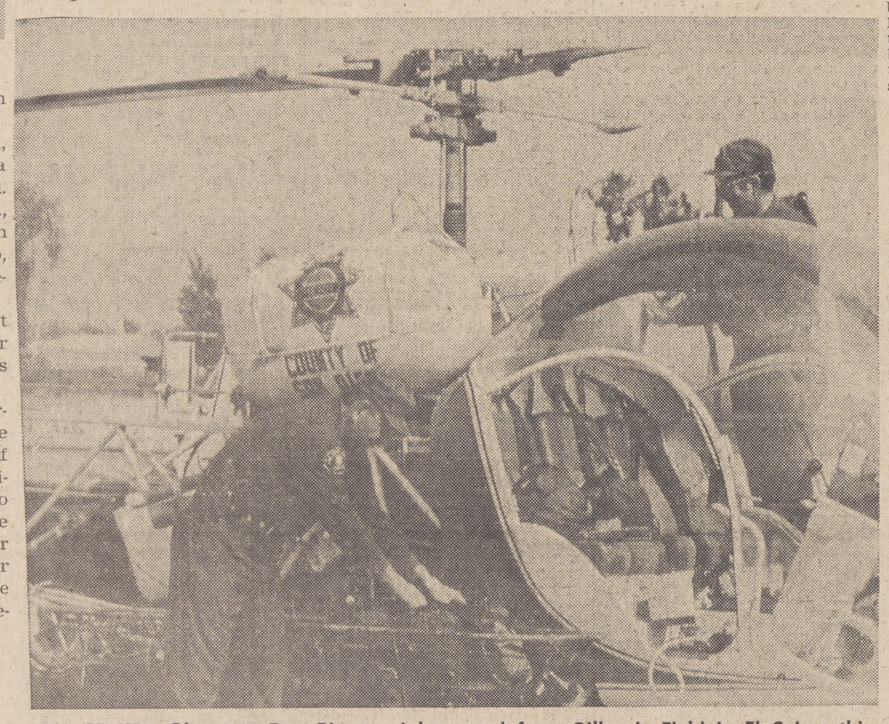
"If we had the Jetranger, we could carry two patients inside the copter and they a better way to do our jobs," Morse said.

The helicopter detail sees their primary function as safeguarding life and property.

"If we can prevent a crime from occurring in the first place, we feel we've completed our assignment," Morse said. "The helicopter may be annoying to some citizens, but, to be sure, it disturbs a potential criminal even more."



SIMULATED RESCUE — Observer Tom Ricotta, left, and Reserve Inspctor William E. MacKintosh attach a litter containing a "patient" to the San Diego County Sheriff's helicopter during a demonstration. Chuck Sanders pilots the copter, a Bell 47G3B2 which is specially equipped for high altitude and rescue capacity.



FILL 'ER UP — Observer Tom Ricotta, right, refuels a San Diego County Sheriff's helicopter while Pilot Milos Koutsky checks the medical evacuation litter. One of three operated from Gillespie Field in El Cajon, this Bell 47G3B2 is the only one specially equipped for high altitude and rescue capacity.

Buyer Aware Talk Presented

The third program in the continuing series titled "Buyer Aware," sponsored by the San Diego County Library and Grosmont College's Office of Community Services, will be presented at 1:30 p.m., Wednesday, in the Community Hall in the College Grove Shopping Center.

The popular series will feature Mrs. Janet I. Kintner, deputy city attorney and head of the consumer protection unit in the San Diego City Attorney's Office. Mrs. Kintner will discuss "Consumer Cautions" during her October 3 presentation. She has tried numerous fraud cases since joining the city attorney's office including cases against automobile dealers, repairmen and retail businesses. She will discuss claims made in advertisements or by salesmen and what you can do if what you buy doesn't live up to the claims.

The public is invited to attend this afternoon program and learn how they may protect themselves when buying merchandise or making contracts. There is no charge for admission.

Pope Urban VIII began the custom of conferring the ank of Eminence on Cardinals in 1630.

Israel is building new immigrant towns on sites of old Philistine cities.

LEGAL NOTICES

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the GROSSMONT UNION HIGH SCHOOL DISTRICT of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District will receive up to, but not later than 2:00 P.M., on the 19th day of October, 1973, sealed bids for

The Grossmont Union High School District proposes to lease and or lease with option to purchase, a central processing unit and peripherals per specifications herein, equipment and maintenance awarded to a responsible contractor, or contractors by competitive bid, the function of said equipment is to provide for increased throughput within the Grossmont Union High School District's current operating environment as outlined in Article II, of Bid Conditions and located at the District Administrative Center, 1100 Murray Drive, El Cajon. You are invited to bid on any, or all equipment. Software and hardware to be compatible and functional with existing Autocoder programs and proposed program products as set forth in the Bid Specifications.

Bids shall be received in the office of the Purchasing Department of said District, located at 1100 Murray Drive, El Cajon, California (mailing address: P.O. Box 1043, La Mesa, California 92041) and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to the contract documents, copies of which are now on file and may be obtained in the office of the Purchasing Department of said District at the above address.

In contracts involving an expenditure in excess of $10,000 the successful bidder shall file a payment bond approved by the District in a form set forth in the contract documents.

The Grossmont Union High School District reserves the right to reject any one or more items of a bid or to waive any irregularities or informalities in the bids or in the bidding.

Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

KEN OVERSTREET
Clerk of the
Governing Board
Grossmont Union High
School District of San Diego County, California

LEGAL NOTICES

No. 69
Re Leasing of)
Real Property . . . .)

RESOLUTION OF INTENTION TO LEASE REAL PROPERTY OF THE COUNTY OF SAN DIEGO AND NOTICE INVITING BIDS TO LEASE

On motion of Supervisor Brown, seconded by Supervisor Bear, BE IT RESOLVED as follows:

1. This Board declares its intention to lease the real property located at 9960 Estrella Drive, Spring Valley, California 92077.

2. Said Lease shall be for a period of three years commencing October 16, 1973, and terminating October 15, 1976, unless sooner terminated in the manner provided in and by said lease.

3. Rental shall not be less than $210.00 per month, each month, in advance commencing October 16, 1973.

4. The terms of the Lease are set forth in Document No. 476446 on file in the Office of the Clerk of the Board of Supervisors, Room 306, County Administration Center, 1600 Pacific Coast Highway, San Diego, California 92101, to which document reference is made for further particulars.

BE IT FURTHER RESOLVED that sealed written proposals will be received at the office of this Board, Room 306, County Administration Center, 1600 Pacific Coast Highway, San Diego, California 92101, until 2:00 o'clock p.m. on October 9, 1973, at which time they will be publicly opened, examined, and delcared by this Board in its chambers in said building.

Each proposal must be accompanied by a certified or cashier"s check for an amount no less than the first monthly rental payment, payable to the order of the County of San Diego as a guarantee that the bidder, if successful will promptly execute and accept a lease for the stipulated term and upon the conditions set forth above for said premises; said check shall be applied on the initial monthly payment of rent for said premises upon execution and delivery of the lease; otherwise said check and proceeds thereof shall be declared forfeited by this Board.

Oral bids exceeding by a least five percent (5%) the highest written proposal submitted will likewise be received from responsible bidders at said meeting of this Board

This Board reserves the right to reject any and all bids or to waise any informality in the bidding.

BE IT FURTHESR RESOLVED that the Clerk of this Board is hereby directed to publish Notice of Intention to Lease Real Property by the procedure set forth in Section 73.11 of the Administrative Code of the County of San Diego pursuant to Section 25537 of the Government Code.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 4th day of September, 1973, by the following vote:

AYES: Supervisors Brown, Conde and Bear
NOES: Supervisors None
ABSENT: Supervisors Walsh and Taylor

STATE OF CALIFORNIA)
) ss.
County of San Diego)

I, PORTER D. CREMANS, Clerk of the Board of Supervisors of the County of San Diego, State of California, hereby certify that I have compared the foregoing copy with the original resolution passed and adopted by said Board, at a regular meeting thereof, at the time and by the vote therein stated, which original resolution is now on file in my office; that the same contains a full, true and correct transcript therefrom and of the whole thereof.

Witness my hand and the seal of said Board of Supervisors, this 4th day of September, 1973.
